Progress!

The academic year 1970-71 was a year of new awareness on the Henderson Campus. Attempts were made to improve student-to-student and faculty-to-student communications.

Early in the year a group of students organized to make the two year mandatory ROTC program into a voluntary one. After considerable peaceful action by the group, the issue was presented to the Board of Trustees. The Board voted to drop the two year mandatory ROTC program at Henderson.

A black-white student workshop, utilizing consultants from several out-of-state institutions, seemed to be a good starting point for better communication and understanding. Hopefully this type of activity will be continued and expanded to touch more students.

Beginning in the Fall the Council of Deans will implement a new policy regarding courses that are repeated. A student who repeats any "D" or "F" grade during his first 60 attempted hours, prior to his 90th attempted hour, will have only the last grade and credits used in figuring the cumulative grade point average.

There was some talk of a student judicial board to be established in mens' residence halls. Significant student interest was not apparent but there is hope that the idea will be developed. It would appear that if discipline is to be an educational experience then students must be given, and be willing to accept, the responsibility for operating a judicial system.

A student tutoring program was established by the Division of Student Affairs. Student and faculty tutors offered the free service to all students who indicated they needed assistance.

The Student Senate spent more of its time this year bringing entertainment to the campus than trying to provide student government. Recognizing the problem, the Senate is studying some form of Union Board that would administer all entertainment activities, and free the Senate for governmental improvement. Basically the discussion centers on eliminating the out-dated class structure for elective office and replacing it with more relevant interest groups on the campus.

The year 1940 was a troubled one. Students released fears and anxieties through frivolous fun, gold-fish swallowing and campus-wide boosting.

The year 1971 has also been a troubled one. Students are faced with a war in Vietnam, unrest at home, and a search for peace within themselves. Henderson has not experienced violent protests common to many larger colleges. However, Henderson students share with other collegians the hope for world wide peace.

On the birth of this new decade students realize. . . .

ALL TOMORROWS WILL BE
BETTER THAN TODAY . . .

What wonderful, congenial friends were made here! . . . Here there is an atmosphere . . . a unique mixture of gravity and seriousness combined with a confident, smiling serenity that does not exclude gaiety—and the mixture lives side by side . . .

Thornton Wilder

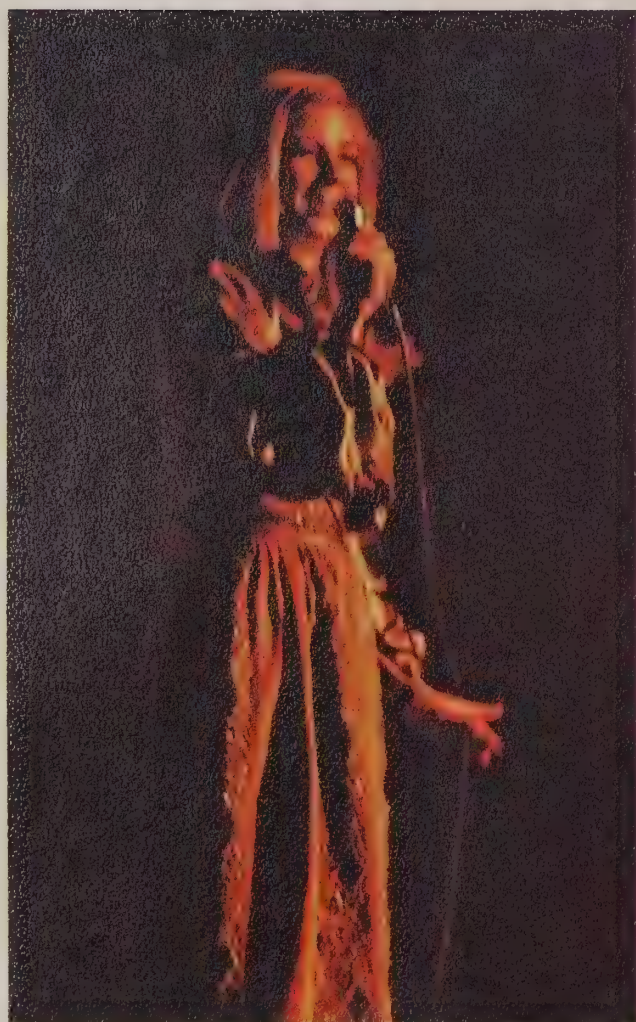

We came to Henderson State College, from towns and farms, from apartments and split levels, from affluence and need; we left behind not only our homes but a well-worn pattern of living. What did we expect from college? We didn't know—the key to success, instant self-confidence, overwhelming popularity? College was different. No matter what we had been told; it was just different. And so we studied—how many legs on a grasshopper, how a baby is born, the difference between Doric and Ionic columns. Is our democracy adequate?

We plunged into our textbooks as if they could teach us how to live, as if they held the secret of what values to retain.

But the words on the page didn't tell what life held for us, what constituted success, or how to gain inner peace, or whence is our fulfillment?

We got together. We played together. We talked about our families. Together we studied. We learned to get along with others; we tried to be sensitive to other's feelings. We liked people; and we liked what they liked.

A continuous cavalcade of people passed by us each day. In their smiles and frowns, we saw the glint of hope and determination, the blur of despair and surrender.

And we found we lived better when we associated with people. Sometimes they made us feel important. Sometimes they raised us from drudgery. Sometimes they were good. Sometimes they made us feel great. And we were grateful; and we wished we could do the same for someone else, sometime. And that was when we recognized life's secret; We cannot know God unless we love all people, his children.

ORGANIZATIONS

Alpha Sigma Tau

Two Alpha Gamma Taus flew to the 18th National Convention of Alpha Sigma Tau in Toronto, Canada, August 17-21. There Alpha Gamma captured two national honors; Susan Toler was named Convention

Queen and the AST scrapbook placed second in national judging.

The Taus' theme party during rush was the AST Corral. They transformed the Ballroom into an outdoor corral complete with wooden corral, saddles, blankets, and bales of hay. Injun and Cowgal Alpha Sigma Taus entertained rushees with songs. Love is a Special Way of Feeling, AST's traditional formal rush party, was also held in the Ballroom. Sisters dressed in formal white gowns greeted the rushees, fourteen of which pledged.

Campus involvement is a key part of Alpha Sigma Tau. Alpha Taus are members of Heart and Key, Alpha Chi, Kappa Delta Pi, Star Staff, Reddie Ripples, and the Student Senate. Honors of ROTC Sponsors, Reddie Beauty Finalists, fraternity sweethearts, Senior homecoming maid, cheerleader, majorettes, Sigma Tau Gamma Calendar Girls, and Sigma Phi Epsilon Girls of the Golden Heart were bestowed upon Alpha Taus.

Following the initiation of the fall pledge class, ASTs honored their parents at the annual Parent-Daughter Banquet. Little Rock Alumnae sponsored State Day for the three collegiate chapters of AST in Arkansas.

Sigma Phi Epsilon

The Arkansas Beta Chapter of Sigma Phi Epsilon had a very enthusiastic year. The formal rush banquet was held in the Continental Room at the Aristocrat Motor Hotel in Hot Springs. Brother Jack Wheeler, Associate Dean of Students at North Texas State University gave the dinner message. The Sig Eps came out with eighteen fine pledges at the end of formal rush.

Brothers can be found in just about any organization on the campus. Sig Eps are also presidents of such organizations as Heart and Key and the Interfraternity

Council for the upcoming year.

This year the brothers of Sigma Phi Epsilon organized an auxiliary to their fraternity called "The Girls of the Golden Heart." This organization will serve as hostesses for functions sponsored by the active chapter.

The brothers again had three very successful parties during the year, the Annual Roarin' 20's Party, The Golden Hearts Ball, and of course the fantastic Swamp Stomp at their fraternity house.

Mike Ward, past president, was appointed by the National Fraternity as a staff representative for the upcoming year. He is the first student from the state of Arkansas to be appointed to this position, and he will travel over the United States for the fraternity which is the second largest in the world.

Summing it all up, the brothers of Sigma Phi Epsilon Fraternity again had an excellent year.

Alpha Xi Delta

Alpha Xi Delta met at Central Missouri State College in Warrensburg, Missouri, June 14-19, for the Chapter Officers' Round Table, commonly referred to as "Cort." Attending from Gamma Omega Chapter were Cheryl Hasley and Judy Williams.

Alpha Xis began planning for their fall rush parties in July with a meeting held in Little Rock. Their advance planning was evidenced in the smoothness

of their party activities. "Alpha Xi is for . . ." was the theme of Gamma Omega's informal rush party. Songs and sorority talk were the main activities. Alpha Xi's formal party is traditional. The sisters of AZD, dressed in blue formals, talked and sang to rushees about the love existing within their sorority. A quota pledge class of sixteen entered into the pledged bonds of sisterhood at the close of rush.

Alpha Xi Delta with the cooperation of Delta Zeta sponsored a "Newly-wed Game" with the proceeds going to the Shelby-Tackett Memorial Fund for Cheerleaders.

Gamma Omega was of help in the formation of two Alumnae Clubs this year. These Alumnae organizations will be of tremendous help to the collegiates in the coming years.

Alpha Xi Delta stands tall in campus achievement. AZD's are members of the Senate, Heart and Key, AWS, Reddie Ripples, Swim Team, Tennis Team, Oracle and Star Staffs, Alpha Chi and Kappa Delta Pi. Not only do Alpha Xis achieve but they are honored as ROTC Brigade Sponsor, Reddie Beauty Finalists, Sophomore homecoming maid, Sig Ep Girls of the Golden Heart, Sig Tau Roses of the Shield, cheerleaders and majorettes.

Theta Xi

In September Theta Xi was the smallest in numbers of the fraternities on campus. Determined to grow, the men of Theta Xi concentrated their efforts on increasing membership. Prior to formal rush six men were pledged to Kappa Iota chapter of Theta Xi.

Theta Xi's first smoker during the formal rush season was held in the formal lounge of Newberry

Hall with speeches on the history of Theta Xi, brotherhood, and the pledge program of Kappa Iota chapter. Hamburgers comprised the menu of Theta Xi's second smoker at the IFC House. For their formal banquet, brothers and rushees met at the Royale Vista in Hot Springs to hear a speech on brotherhood by 1966 chapter president Jeff Curtis. Eleven men chose to wear the blue and white pledge pin of Theta Xi at the close of rush. By the end of the fall semester, a total of eighteen men had been pledged, the reward of fine rush efforts.

Theta Xi is extremely proud of the fact that it is the only national fraternity founded during the Civil War. This was emphasized at its 106th national convention at Snowmass Lodge, Aspen, Colorado. Eric Schlack, Kappa Iota's delegate, was in attendance for the convention held August 22-25, 1970.

Delta Zeta

Jayne Alspaugh, president, and Mrs. Betty Willis, college chapter director, attended the Biennial National Convention of Delta Zeta which was held in Phoenix, Arizona, on June 17. Plans were made for the next Convention to be held in Hot Springs in 1972 with Epsilon Pi as the hostess chapter.

On August 14, the sorority met at the home of Mrs. Norma Tackett in Texarkana for a rush workshop.

DZ Dreamland was the theme of Delta Zeta's informal party. Delta Zetas dressed in pink and white nightshirts entertained rushees with sleepy-time songs hoping to fill their minds with the dream of a DZ bid. At their formal party the Delta Zetas greeted rushees in white formals with a green DZ banner pinned across their gowns. After refreshments the sisters led the rushees to the "delta" where they presented their traditional formal party. At the conclusion of rush, sixteen pledges were received.

The annual Flame Fantasy Fashion Show is their major philanthropy with money going to the School of the Deaf. The Colonade Banquet which honors parents of Delta Zetas is held in the early spring.

Delta Zetas are active members of the Senate, AWS, Heart and Key, Star and Oracle Staffs. DZs are proud of their sisters that are military sponsors, cheerleaders, majorettes, Reddie Beauty Finalists and Homecoming attendants.

Sigma

Sigma

Sigma

The sisters of Beta Eta began the school year with a planning retreat in Hot Springs. They met in Hot Springs at the Hotel Downtowner. The sisters made plans for fall and caught up on chapter news. Rush was the main point of interest of the planning retreat.

The Roaring Twenties roared in for Tri Sigma's theme at the informal rush party this fall. There were flappers and gangsters to greet the rushees. The Tri Sigma chapter from State College of Arkansas visited Beta Eta at this time and attended the rush party. SCA Tri Sigs serenaded the rushees Twenties style. For their formal party, the theme of "Tri Sigma Garden" was carried out. Combining the rough house hilarity of the Twenties with the quiet serenity of a garden party, Sigma Sigma Sigma had a successful rush season.

Homecoming week found Beta Eta Tri Sigmas hard at work on their float. Entitled "Yesterday, Today, and Tomorrow," their float depicted the birth, growth and death of an OBU tiger. Their efforts were rewarded with the first place ribbon.

Of the many services Tri Sigma provides, the most significant is the Robbie Page Memorial Fund. This money is raised by contributions from the sisterhood. This fund is used to finance a crippled children's hospital in Chapel Hill, North Carolina.

Denver, Colorado, will be the site of the next Sigma Sigma Sigma National Convention to be held in mid-July 1971. Representing Beta Eta will be Nonie Dyer.

The men of Phi Sigma Epsilon have participated in several campus and community services. Several Phi Sigs serve as class officers and campus leaders. Phi Sigs are represented on the Reddie football, basketball and baseball teams.

The men of Phi Sigma Epsilon have participated in intramural activities. The Phi Sigs won the swimming competition in intramurals.

During homecoming, Phi Sigma Epsilon won the annual "Reddie Spirit" award. Phi Sigs are also diligent employees at the Oaklawn Race Trace.

Alpha Sigma Alpha

The Age of ASA was the theme of Beta Mu chapter of Alpha Sigma Alpha's informal party. The Student Union Ballroom was transformed via black lights, love posters, and the hippy-clad sisters of ASA into what could have been the stage of the musical HAIR. Rushees were entertained by Mary Jane Attwood, Karen Fabich, Sherry Mathis, and Debbie Williams who danced to "Age of Aquarius," one of the better known songs of HAIR. For their

formal rush party the Alpha Sigs turned to a traditional theme with "Over the Rainbow." The mixture of the traditional and modernistic themes was successful; sixteen girls pledged ASA at the end of fall rush.

June 28-30, 1970, Susan Nash represented HSC Alpha Sigs at the National Convention of Alpha Sigma Alpha, which was held at Virginia Beach, Virginia. In July the sisters of ASA met at Peter's Point in Hot Springs for their annual summer workshop.

Active in a great many Henderson organizations, Alpha Sigma Alphas are members and officers of Kappa Delta Pi, Alpha Chi, Phi Beta Lambda, Student Senate, ROTC Scotch Guard, Heart and Key, AWS and Reddie Ripples. Numerous honors came to the sisters of Alpha Sigma Alpha. There are Alpha Sigs who are cheerleaders, members of Who's Who, Pershing Rifles sponsor, Sigma Tau Gamma Calendar Girls, fraternity sweethearts, and Sigma Phi Epsilon Girls of the Golden Heart.

Omega

Psi

Phi

The Omega Psi Phi Fraternity Inc. was founded on November 17, 1911 at Howard University, Washington, D. C. The organizers were three students in the College of Liberal Arts along with their faculty advisors.

The Fraternity was formed from the initial of the Greek phrase meaning "friendship is essential to the soul" selected as the fraternity's motto.

Omega Psi Phi was installed at HSC in October 1970. It was formed for the purpose of enlightening young college men on HSC's campus and to influence them to lift themselves and their race to aspire to high ideals. It is the youngest fraternity on our campus.

Sigma Tau Gamma

At 805 Barkman Street the brotherhood of Sigma Tau Gamma makes its home. The house is a two-story white frame house which is rented from the First Methodist Church.

The Sig Taus celebrated their Golden Anniversary Conclave August 24-27, 1970, at the Lake of the Ozarks. Highlighting the convention was the adoption of a new national constitution and the attendance of all seventeen of Sigma Tau Gamma's founders. In February the fraternity attended a Province workshop in Shreveport.

Rush, an important feature of fraternity life, was successful for the men of Sigma Tau Gamma. The IFC house took on a casino air when brothers and rushees played black jack, five card stud poker and craps with play money. Concluding the rush season, the Sig Taus held their formal rush banquet in Hot Springs. Their rush efforts were rewarded with a pledge class of sixteen men, who selected Debbie Hollowell, Alpha Sigma Tau, as pledge class sweetheart.

As a money raising project the Sig Taus print a Coed calendar featuring sorority girls' pictures with school events of interest printed under the date.

Early in the fall semester sixteen girls were chosen for membership in "Roses of the Shield," an auxiliary of Sigma Tau Gamma. President of "Roses of the Shield" is Delta Zeta Paulette Walker, 1970 White Rose.

The Interfraternity Council at Henderson State College was very happy to admit another national fraternity this year, Omega Psi Phi. Members on the first row from left to right are newly elected president Robert Dempster, Sigma Phi Epsilon; past president Gary Newman, Phi Lambda Chi; David Vandewater, Phi Sigma Epsilon; Jim Harlow, Sigma Phi Epsilon; second row Richard

Harrelson, and Don Gill, Theta Xi; Wally Switzer, Sigma Tau Gamma; Charles Huggins, Sigma Phi Epsilon; Jeff Cochran, Phi Lambda Chi; back row Richard Sutton and Wendell Hughey, Omega Psi Phi; Don Cooper and Rick Downs, Phi Sigma Epsilon; John Thorpe, Sigma Tau Gamma, and Larry Holt, Phi Lambda Chi.

Three rushees, Johnny West, Reggie Whaley, and Leonard Wilson look through a scrapbook at a formal rush banquet.

Fraternity members, pledges, and their dates all turn out for Reddie football games.

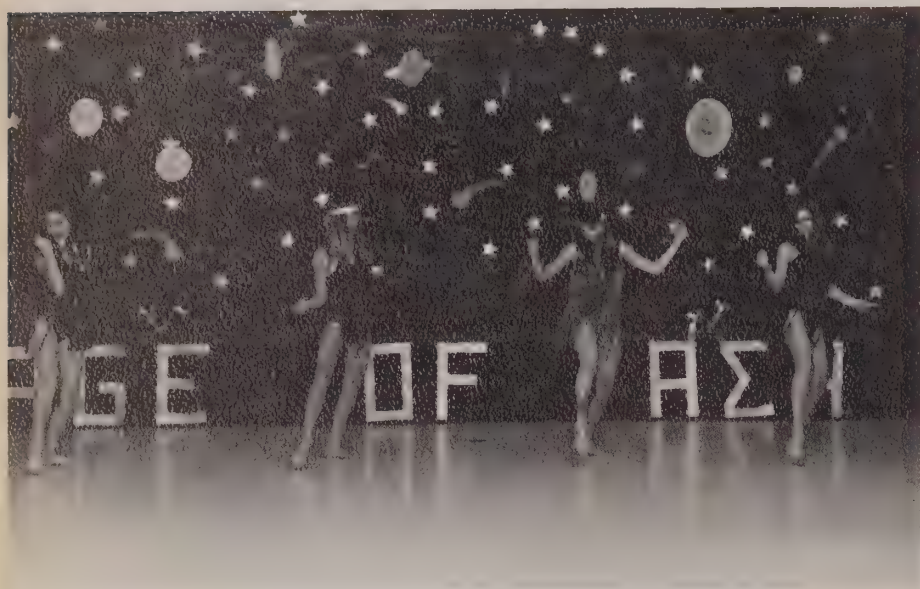

Members of Phi Sigma Epsilon relax after a hard day's work.

Members of fraternities enjoy rush banquets as much or maybe even more than the rushees.

Sorority Rush

The Age of Alpha Sigma Alpha was the theme for the Alpha Sigs informal rush party during rush.

The Sisters of Alpha Sigma Tau were westerners in fact at their informal rush party this year.

Sisters of Delta Zeta Sorority welcome their new pledge, Susie Pace.

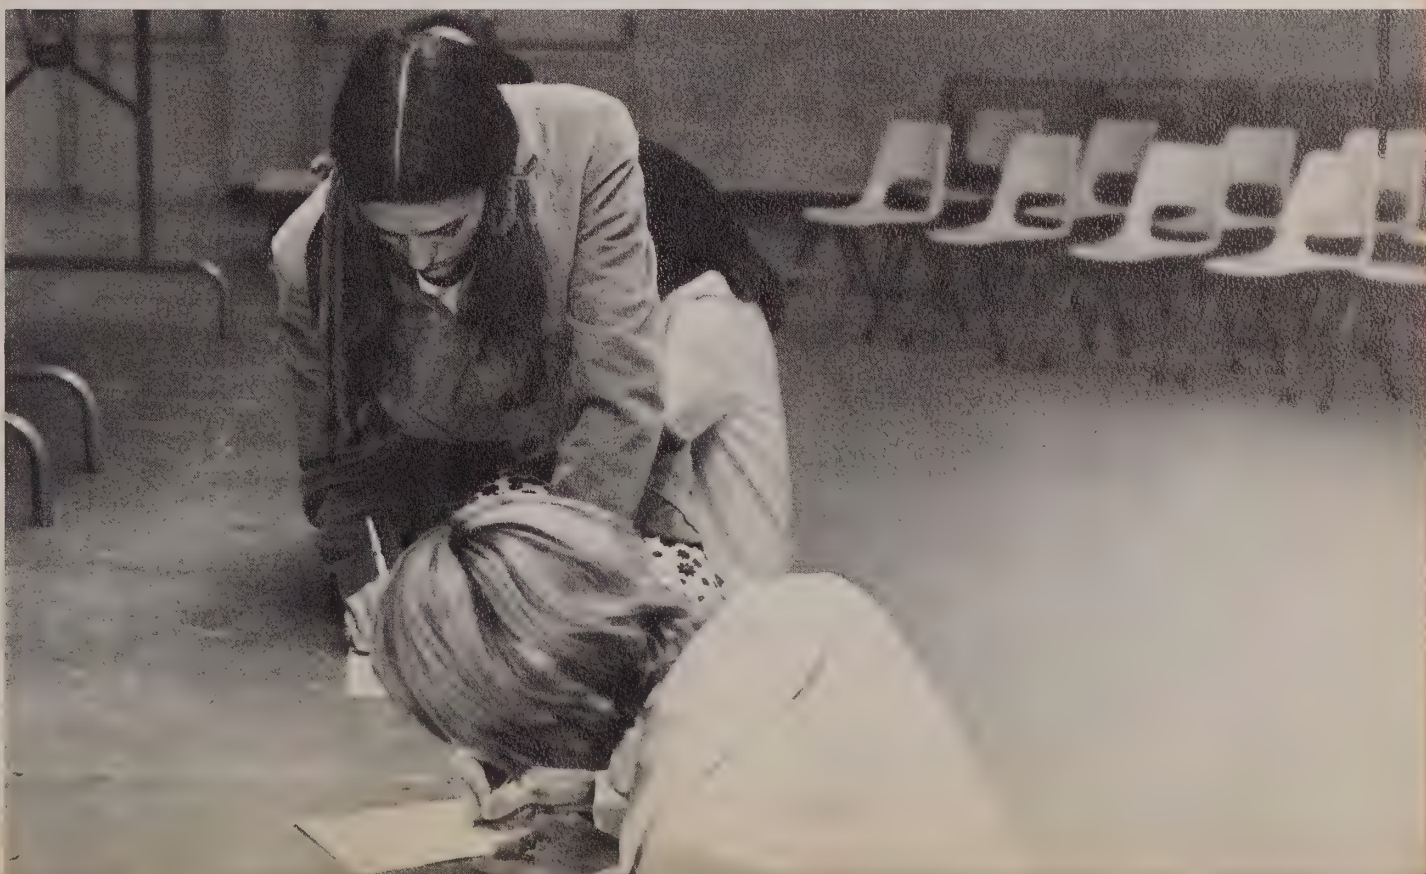

Miss Susan Leibrock spoke to the rushees at the Alpha Sigma Tau formal party during rush this year.

Three sisters of Delta Zeta Sorority entertain other sisters as well as rushees at their informal party.

Signing a sorority preference sheet at the end of rush can at times become a very difficult task for young ladies.

Roarin 20's was the theme for the informal rush party given for freshman ladies by the sisters of Sigma Sigma Sigma sorority.

DANNY DAVIS

At 6'10" tall, he was easily the most recognizable figure on the court, but he moved with the grace and agility of a man much smaller in size. His finely-honed shooting touch, a flick of the wrist at the apex of his leap, was one of the best in the nation. He could move outside and lose none of his effectiveness, but he could crash the boards to tip in stray shots. He not only controlled each game that he played, but in most cases completely dominated it. In his four years at Henderson, he was named an All-American three times. He scored more points, pulled down more rebounds, and excited more fans than any player in Reddie history. For these skills, Danny Davis was named the 1971 Outstanding Senior Athlete, the first selection for this new honor.

Who's Who

Mr. Robert Dempster is the son of Mr. and Mrs. George Dempster of North Little Rock. Robert, a senior biology major, is a member of Sigma Phi Epsilon fraternity where he is a past president. Robert is president of the Interfraternity Council, past president of Heart and Key, a member of Scabbard and Blade, Circle K, and a member of the Reddie Band.

Big Men On Campus

Several years ago the Star Staff and several faculty members decided the men on Henderson campus should have recognition for their dependability and worthiness for their many campus tasks. These students are selected by secret nominations of faculty members of various departments.

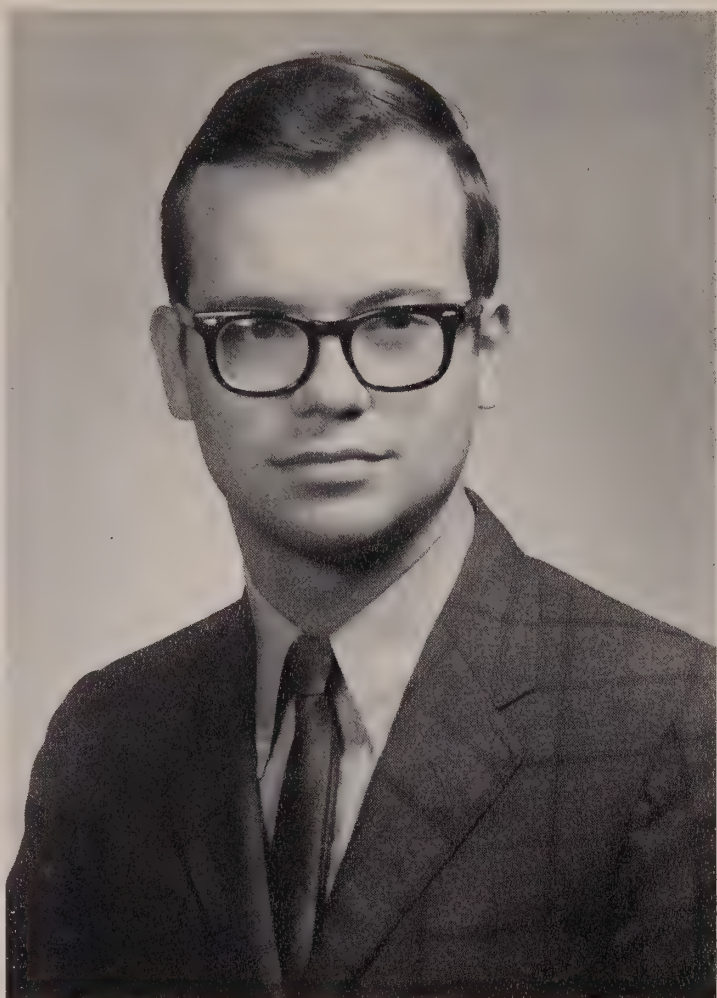

The Big Men On Campus are identified with personality, leadership, loyalty, cooperation, and scholarship. Nine young men were honored this year as a BMOC.

SEASON'S RECORD

New faces with new offenses and a revamped defense were the trademarks of the 1970 Reddies. Gone were the game-winning miracles of Tommy Hart and with them, some thought, the explosiveness of the Redmen's attack. But the Reddies unveiled some surprises which reminded some Henderson fans of the late 60's and gave others a promising forecast of the 70's.

Although the offense was inconsistent, it did give the Reddie followers several thrills in the form of game-saving runs late in the contests. James White, Darrell Horton, Charlie Walker, and Dickie Black all had runs of forty yards or more to set up winning touchdowns during a season of rebuilding.

The defense provided the rallying point of the Reddies during the season. One of the nation's leaders in defense against the pass, HSC boasted a total of sixteen interceptions, seven by 4-time ALL-AIC Stan Parris.

With the traditions established by the teams of the sixties and the experience gained by the youthful Redmen of this season, the Reddies indeed look like the team of the seventies.

HSC 14; Mississippi Col. 10

James White opened the 1970 Reddie football season with a 40-yard scamper with three minutes left in the game to give the Redmen a 14-10 victory over a rugged Mississippi College team. Earlier Henderson had taken a 7-0 lead when junior quarterback Dickie Black sprinted four yards for a touchdown, and Ray Reynolds added the extra point. Following a third quarter Choctaw scoring aerial and a 28-yard field goal, White took a pitch-out and broke behind the blocking of Tom Hogan down the left sideline for the winning TD.

Donnie Braddock, one of HSC's linebackers, causes a Choctaw fumble in the Reddies' 14-10 win over Mississippi College.

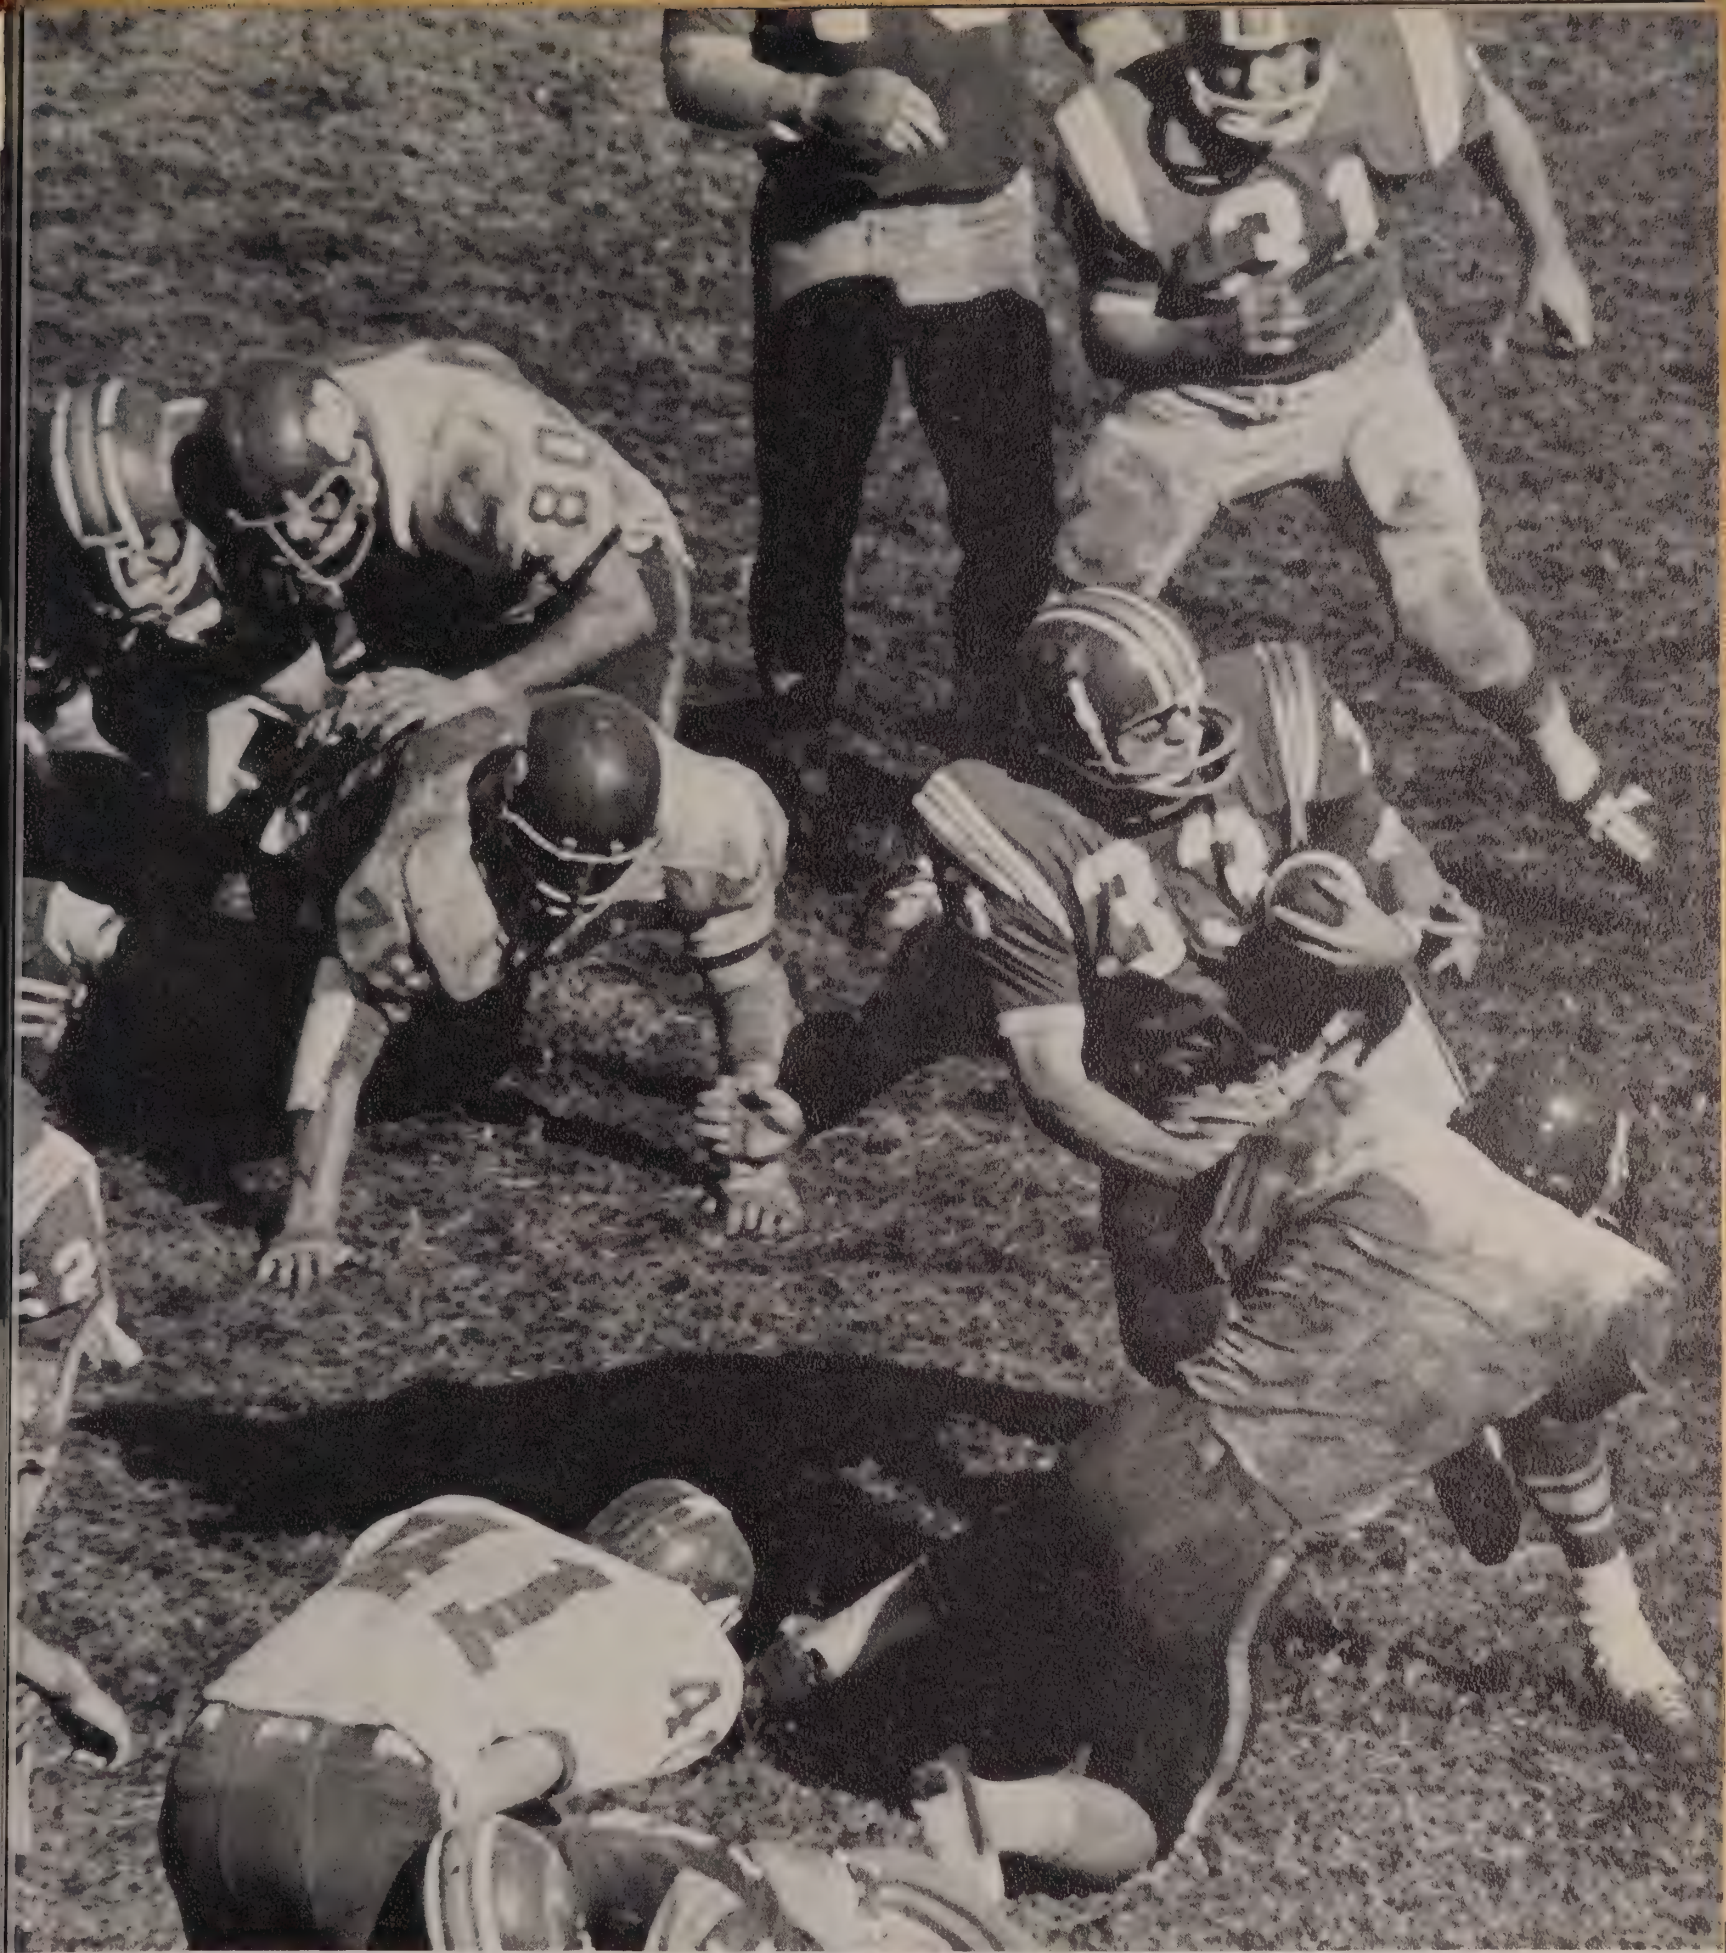

Charley Walker's power running was a major factor in HSC's win over S. E. Oklahoma.

HSC 13; Southeast Okla. 7

The Reddies captured their second victory in as many games with a 13-7 victory over Southeastern State of Oklahoma at Haygood Stadium. Dickie Black gave Henderson its first score with a six-yard run midway through the first quarter. Black's scoring jaunt climaxed a 60-yard drive in nine plays.

The Redmen added to their score when substitute quarterback Lewis Pryor plunged over from one yard out capping an 80-yard march in six plays. A key play in the winning drive was a 21-yard pass to right end John Ford which kept the march alive.

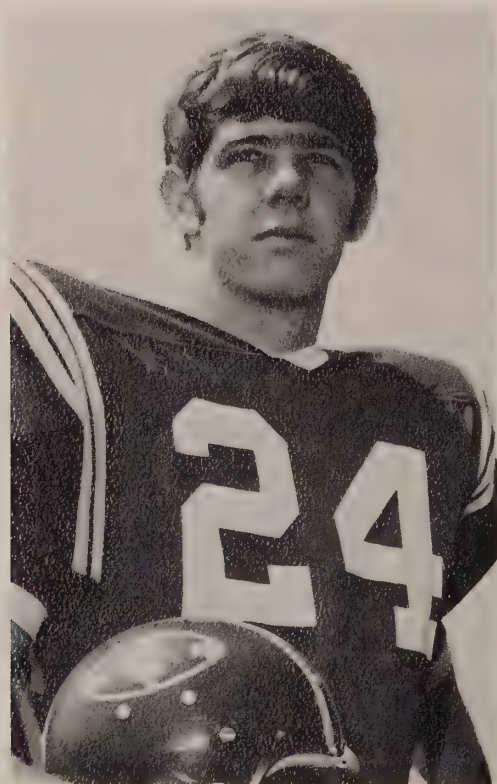

Southeast Oklahoma capitalized on a blocked punt which gave the visitors possession on HSC's three yard line. Two plays later, Clarence Hudson, drove over for S. E. Oklahoma's only score.

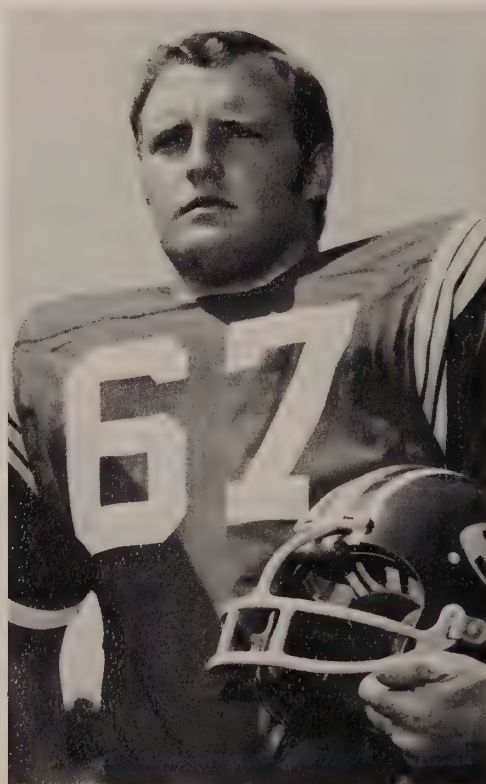

Reddie halfback Charley Walker pushes ahead for that extra yard in the Reddies game against Arkansas A&M.

Reddie speedster James White breaks for long gain against Arkansas Tech.

HSC 7; Arkansas Tech 23

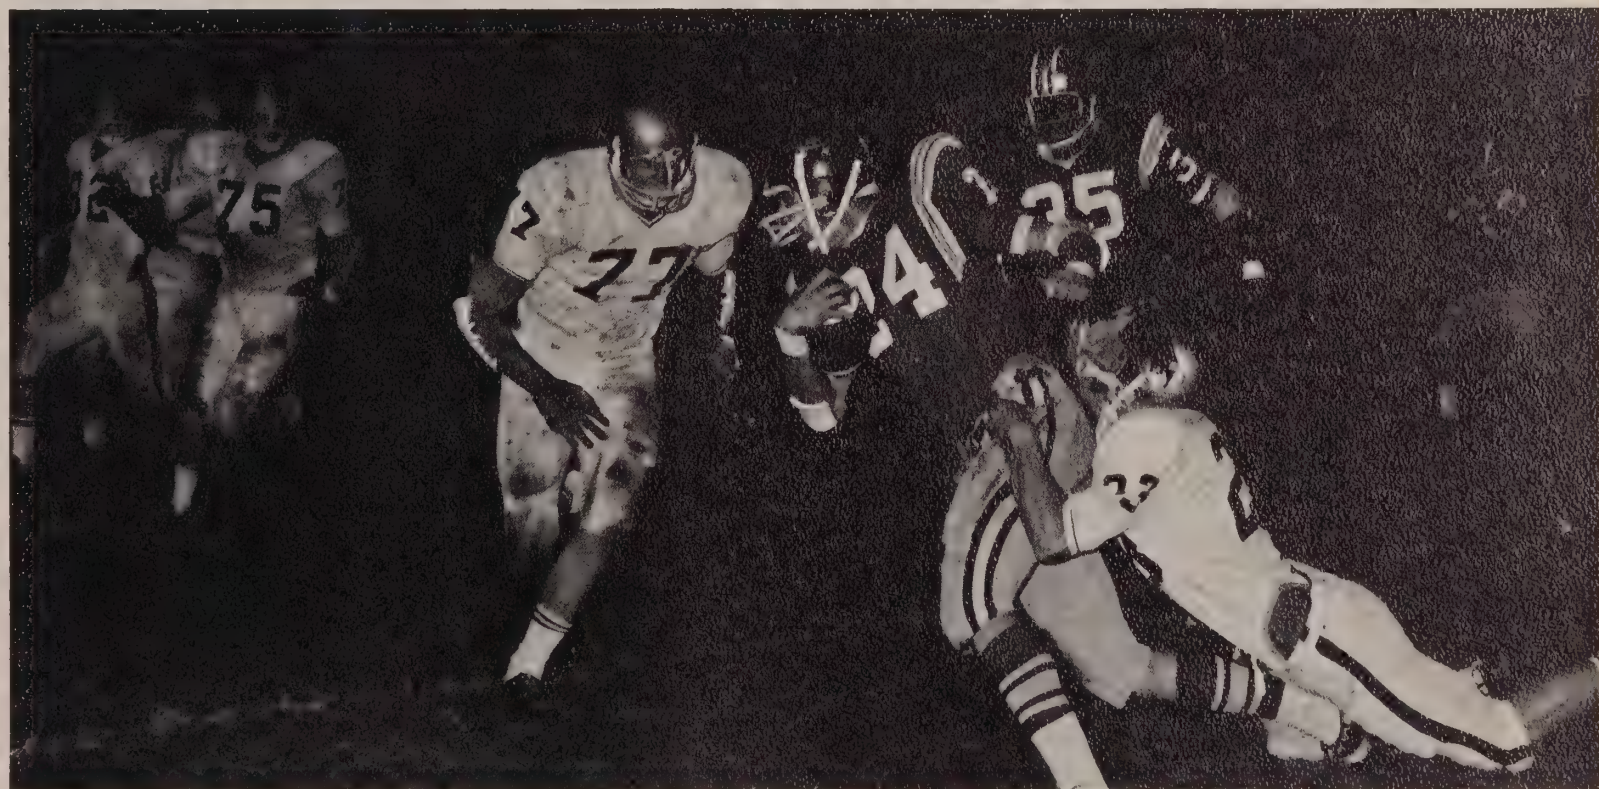

The Reddies traveled to Russellville to meet pre-season favorite, Arkansas Tech in their first conference game of the year. Henderson opened with Dickie Black at quarterback, who engineered a touchdown drive on HSC's first possession to take an early 7-0 lead. Black passed to Stan Parris, playing split end for one of the very first times in his college career, who took it over for the score.

However, the early attack was the Redmen's only consistent offensive show of the night. The Tech Wonder Boys took advantage of a blocked punt, fumble recovery, and a pass interception to post a 23-7 win.

HSC 0; Southern State 4

Unable to recover from the loss to Arkansas Tech, the Reddies dropped their second conference game to Southern State College. The loss marred an outstanding effort by the Reddie defense which completely shut down SSC's explosive offense. However the Mulerider defense scored two safeties to post the unlikely final score of 4-0.

On their first two possessions of the game, the Reddies were trapped in their own end zone to account for the only scores of the contest. Southern State was able to hold that 4-0 first quarter lead for the distance in the battle of punts.

ALL-AIC safety Stan Parris doubled at split end for the Reddies. Here he moves the ball after a pass reception against Harding.

HSC 20; Florence St. 30

The Reddies jumped off to an early lead in a non-conference game with Florence State University, but failed to hold on for the victory as the Lions pulled out a 30-20 win.

Quarterback Lewis Pryor carried the ball on scoring plays of 18 and 19 yards early in the game, but Florence came back and tied the score at 14-14 by the half.

On their first possession of the second half, Florence drove for a touchdown and gained the lead, which they never relinquished. A safety by Florence on a fumbled punt gave the Lions two more points and a nine-point lead. Later a fake punt play on fourth down failed and the lions quickly capitalized. Henderson's final rally ended with a score but it was not enough.

Dickie Black sprints for the Reddies first 1970 touchdown against Mississippi College.

HSC 14; Arkansas A&M 19

An interception on the game's initial play by Stan Parris, a scrambling fumble recovery by James Morehart, and a 43-yard touchdown sprint by James White were the only high spots of the afternoon for the Reddies as they fell before the Arkansas A&M Boll Weevils 19-14. Following an explosive 73-yard screen pass scoring play by the winless Boll Weevils, White provided his own type of fireworks with a jaunt around right end for 43 yards to tie the score. A&M retaliated with two scores before Morehart's fumble recovery on the visitor's 25-yard line gave Dickie Black the opportunity to move HSC to the one in three plays. Darrell Horton's plunge and Morehart's extra point provided the final score.

Jim West cuts down an A&M Boll Weevil in the Reddies' sixth game of the season.

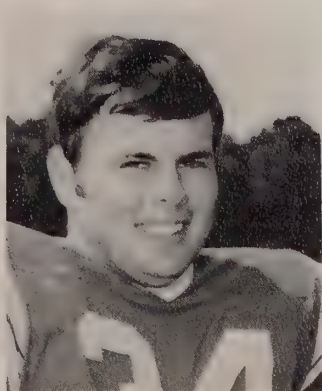

James White begins his 43-yard touchdown jaunt against Arkansas A&M. White's long runs were one of the highspots of the Reddies' offense during the 1970 campaign.

HSC 14; Southwest Mo. 12

The youthful Reddies began to jell and both the defense and offense came to life in the same game as HSC ended a four-game losing streak with a 14-12 victory over Southwest Missouri. A solid defensive wall held the Bear's fullback Fred Tabron a yard short of the go-ahead touchdown late in the fourth quarter while the defensive secondary allowed only one pass completion for nine yards. The resurgent Reddie offense methodically ran over, around, and through the Missourians for 399 total offensive yards, 317 of which were on the ground. James White and Dickie Black sprinted for touchdowns giving placekicker James Morehart the opportunity to kick the decisive extra points.

HSC 12; Harding 6

The toe of James Morehart gave the Reddies a 12-6 victory over AIC-contender Harding and gave the improving Reddies their first conference victory. Morehart, a sophomore defensive end, put the Reddies out in front early in the second quarter with a 27-yard field goal and ten minutes later added another one, this time from 29 yards out.

Henderson opened their scoring when Charlie Walker's 24-yard run set up Dickie Black's 17-yard scoring toss to John Ford. Harding, needing a victory to keep alive their hopes for the AIC crown, was stopped three times deep in Reddie territory in the second half by key defensive plays. Stan Parris intercepted a Bison aerial on the two, Danny Howard fell on a fumble at the five, and Don Braddock sealed the Reddie victory with a fumble recovery at the HSC 15 with less than three minutes remaining in the game.

Jim West hauls down a Bison running back in the Redmen's 12-6 victory over conference contender Harding.

HSC 17; SCA 10

The big-play explosiveness returned to the Reddies as Dickie Black, Charley Walker, and Darrell Horton each had runs of 60 yards or more to give the Reddies a 17-10 win over State College of Arkansas. Walker opened the Big Red victory parade late in the first quarter with a 61-yard scamper to the Bear eight to set up Dickie Black's touchdown. Black then repeated Walker's feat with a 63-yard jaunt of his own to the SCA two-yard line from where he scored three plays later. After HSC's defense had stymied the Bears late in the game, Darrell Horton capped the Reddie's fireworks with a 69-yard run to set up James Morehart's 27-yard field goal which ended a most productive Reddie evening.

Hard-running Darrel Horton is brought down after a long gain against Southwest Missouri.

HSC 0; Ouachita 36

The Reddies' Homecoming was spoiled by the Ouachita Tigers as they traveled across the ravine and ran to a 36-0 decision over the Redmen.

An ominous forecast of the evening came on the Reddies' first possession when the Tiger defense forced a fumble in the end zone for a safety. Staked to a 2-0 lead before they ever had their hands on the ball, the Tigers then proceeded to grind out almost 500 yards in total offense against the Reddies.

The Reddie offense, stunned by the early turn of events, never managed to get moving as the Tigers held the Reddies to only 41 yards rushing. Short punts and the lack of offense kept the defense in hot water all night, trying to stem the Tiger tide.

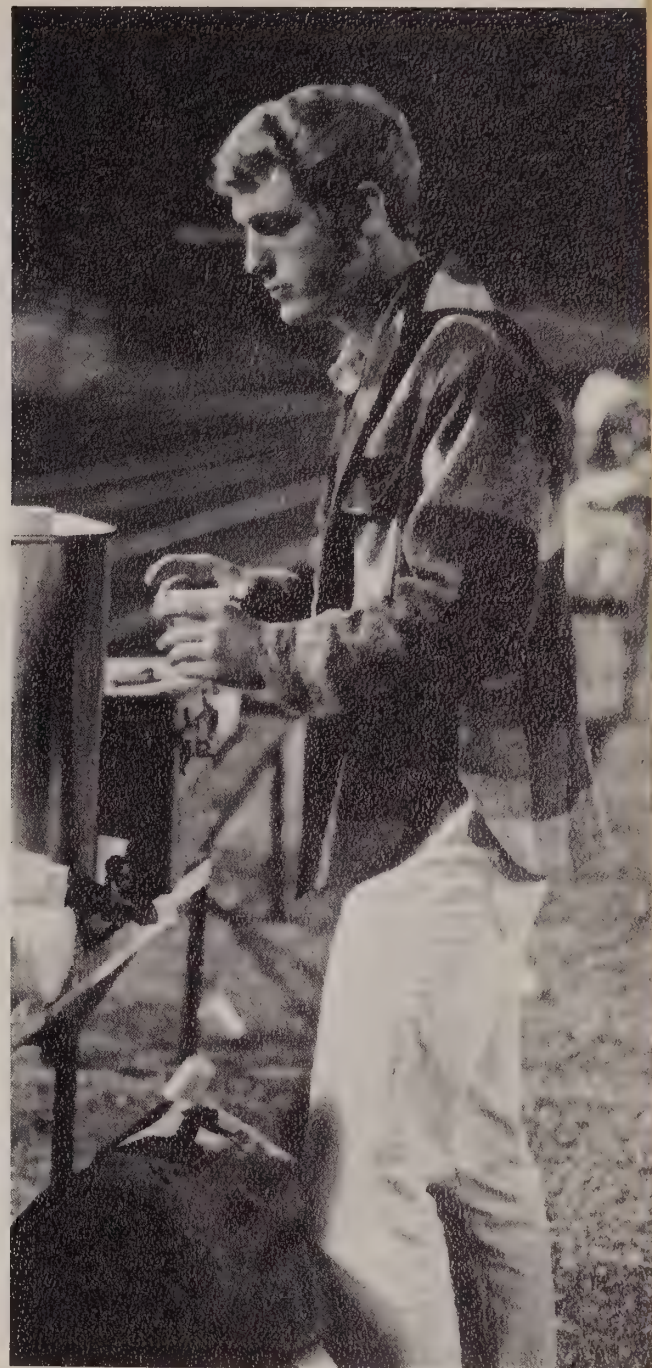

All-AIC Ron Braddock brings down the AIC's leading ground gainer Johnny Baker of Ouachita Baptist University.

Don Tison outruns an OBU defender as he turns the corner on the Reddies' power sweep.

Bill Cook served as Reddie trainer during the 1970 season.

Ralph "Sporty" Carpenter rallies his forces during the Reddies' homecoming game against Ouachita. Coach Carpenter will take over the Reddie reins next year succeeding Clyde Berry.

Basketball 1971

'71 Season Marks End of Davis's Reddie Career

The 1970-71 season was one of contrasts. It opened amid confident optimism, suffered through a midseason slump, and closed with a mild resurgence. It contained the excitement of a victory over national power Stephen F. Austin, but was marred by three one-point losses in critical games. It marked the end of the Danny Davis era, but it revealed several bright new faces, each forecasting continuing Reddie success.

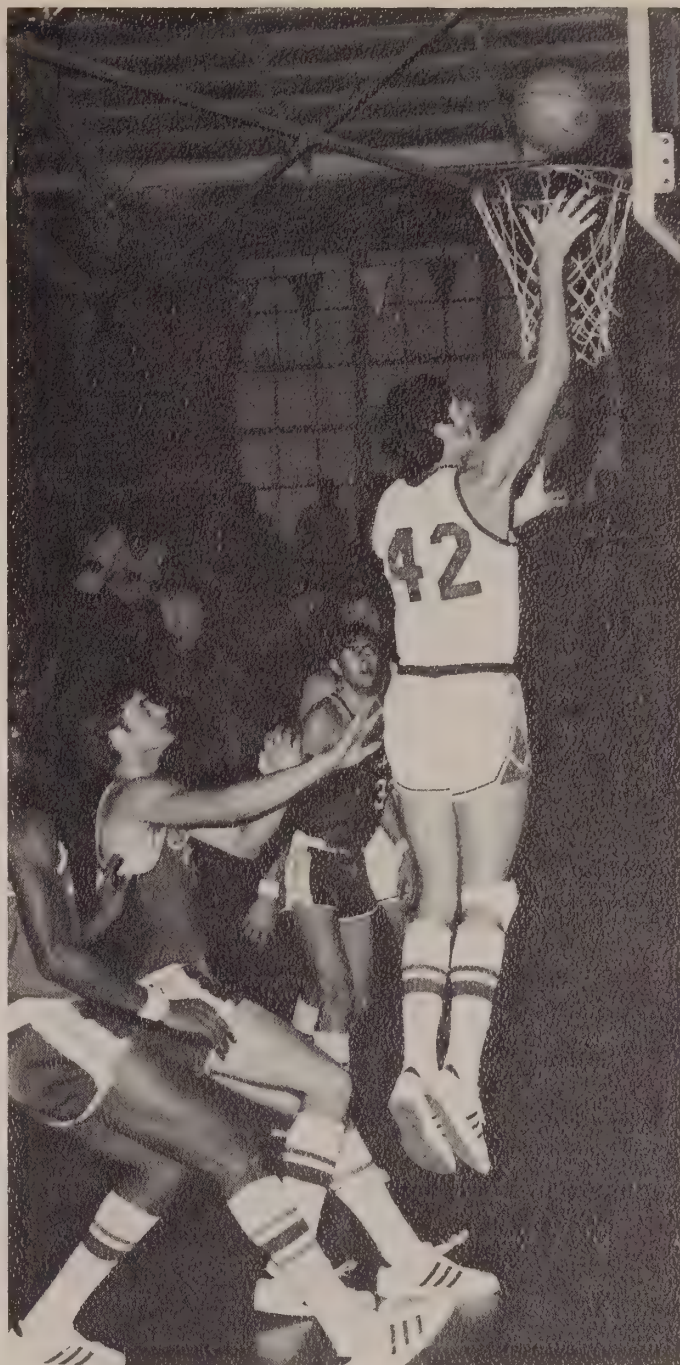

Danny Davis, a 6'10" product of Caddo Gap, finished his college career as Henderson's greatest scorer, hitting for over 1800 points in four seasons. Named All-AIC and NAIA All-American three times, Davis led Reddie teams to two AIC championships and twice to Kansas City as NAIA District 17 representatives. Considered by many to be one of the best natural shooters in the college ranks, Davis, as a senior, connected on 61% of his shots which ranked in the top ten nationally. In one stretch, Davis connected for double figures in over 50 consecutive games spanning three seasons.

John Herron, a Jr. college transfer from Grand Rapids, also finished his college career in the 1971 season. A team leader in both performance and spirit, Herron's injury midway through the season put a severe dent in the Reddie machine. It came only four games after the 6'5" forward had scored a career-high of 32 points in a win over State College. In the fifteen games Herron played in 1971, he averaged 13.9 points per contest.

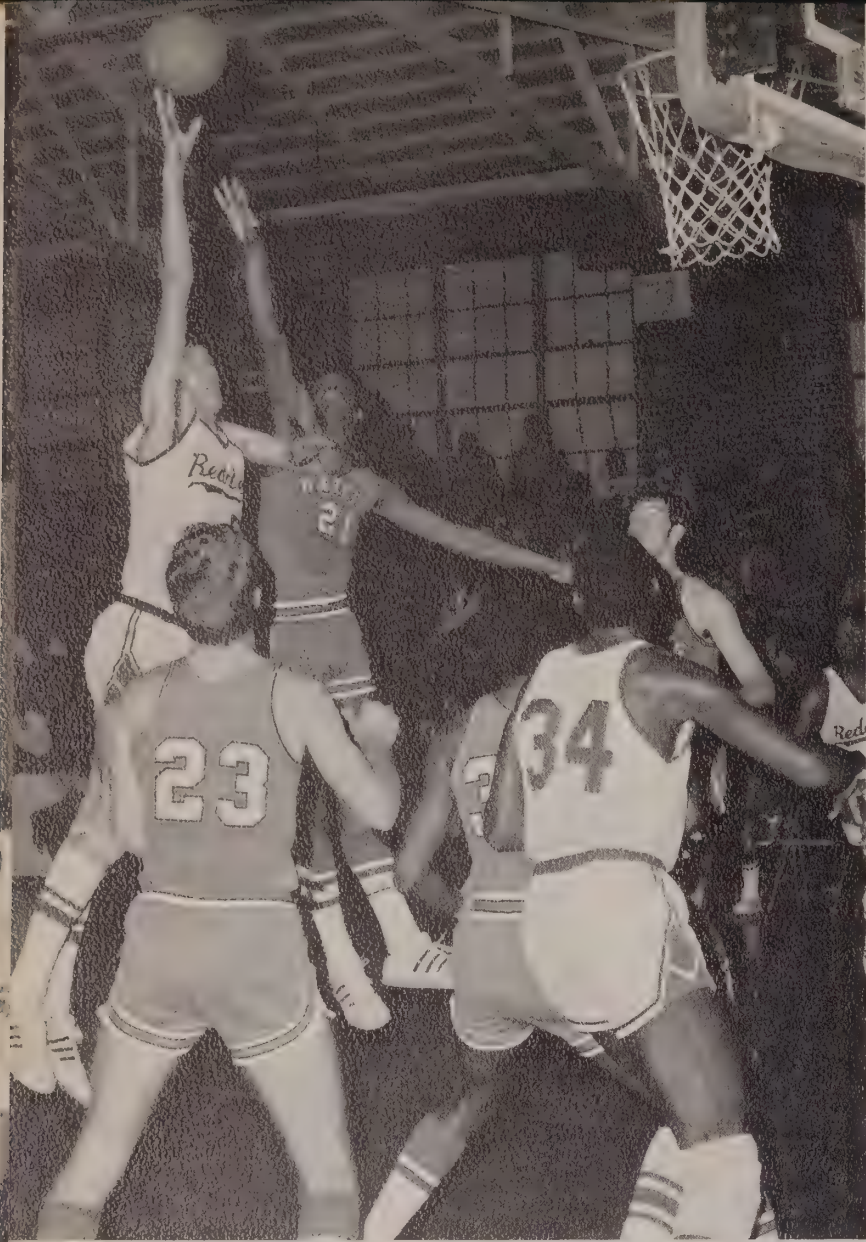

Another big gun in the big Red arsenal was 6'6" Mike Peterson. Peterson, also an ALL-AIC selection, pulled down 257 rebounds, second only to Davis. A Peterson specialty, the high-altitude fall-away jumper, resulted in 463 points during the season, an average of 17.1 per game.

Responsible for getting the ball to these big men were Don English, a two-time ALL-AIC honorable mention, Donnie Matlock, a transfer from Westark Jr. College, and Mike Holloway, a junior from Smackover. English led the Reddies in assists.

The locker room was tense as assistant coach, Edwin Nutt, reviews last minute strategy before the SSC game.

Until an injury forced him to the sidelines, John Herron was a familiar sight converting a Reddie fast break into two points.

Few opponents could stop 6'10" Danny Davis's driving hook. Here he scores against Harding.

Stephen F. Austin Falls Before Reddie Attack

Danny Davis exploded for twenty-one points in the second half, and Donnie Matlock sunk thirteen key free throws as the Reddies grabbed their biggest win of the season in their home opener. The victim was Stephen F. Austin, ranked number four in the national small-college polls.

The Lumberjacks obtained their revenge four days later and gained a home-and-home split when they overcame a late Reddie attack and captured a 92-85 win. Davis and Don English led the Reddies with 22 points each.

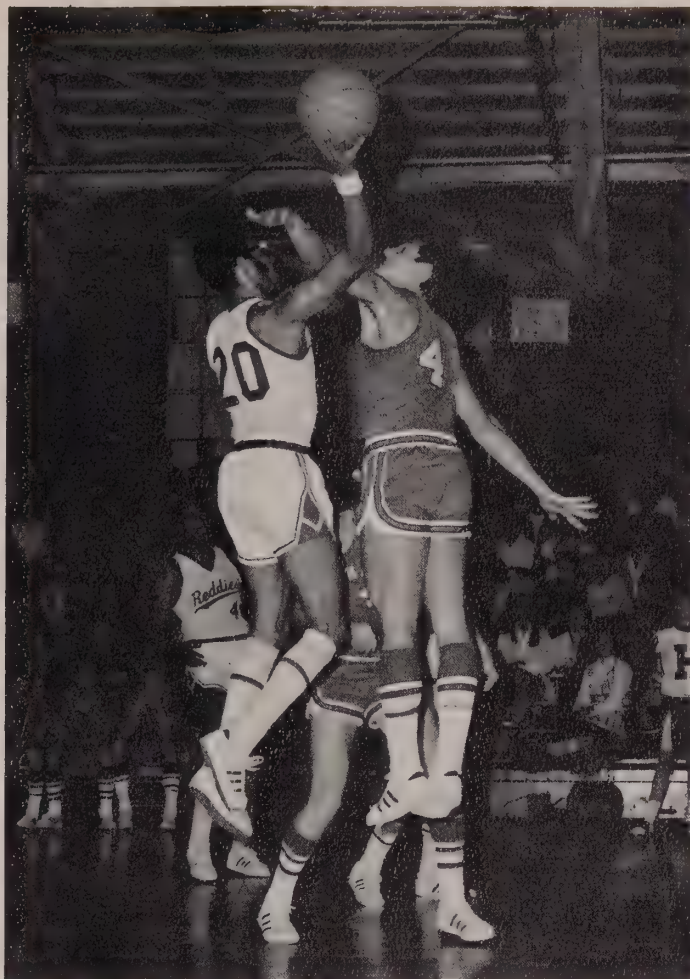

Before a roaring crowd, Henderson rebounded from their loss to SFA with a blazing fast-break which tumbled AIC newcomer Arkansas AM&N. Hitting 58% of their shots, the Redmen raced to a 102-87 victory. Davis's 33 points coupled with a 23-point output by Mike Peterson gave the Reddies their first conference win.

The Reddies repeated their season-opening win over School of the Ozarks with a 99-76 romp and followed with a 99-75 trouncing of Hendrix. Davis scored 23 of his 30 points in the first half of the Hendrix game while Mike Peterson took over the scoring reins in the second stanza with 18 of his 26 points.

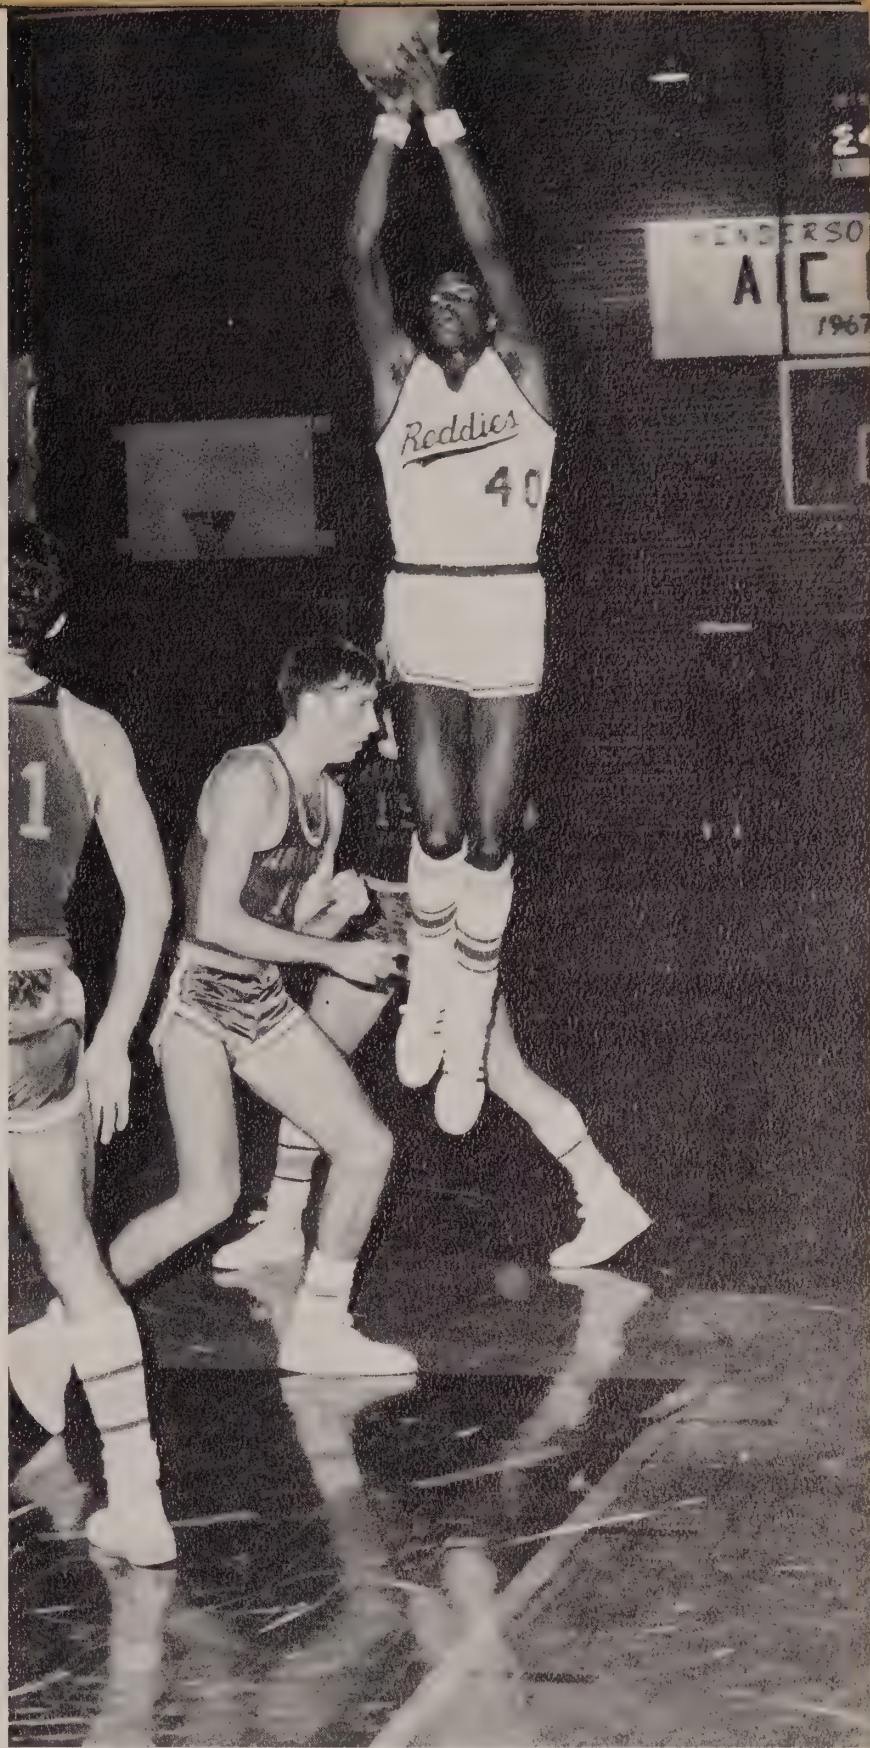

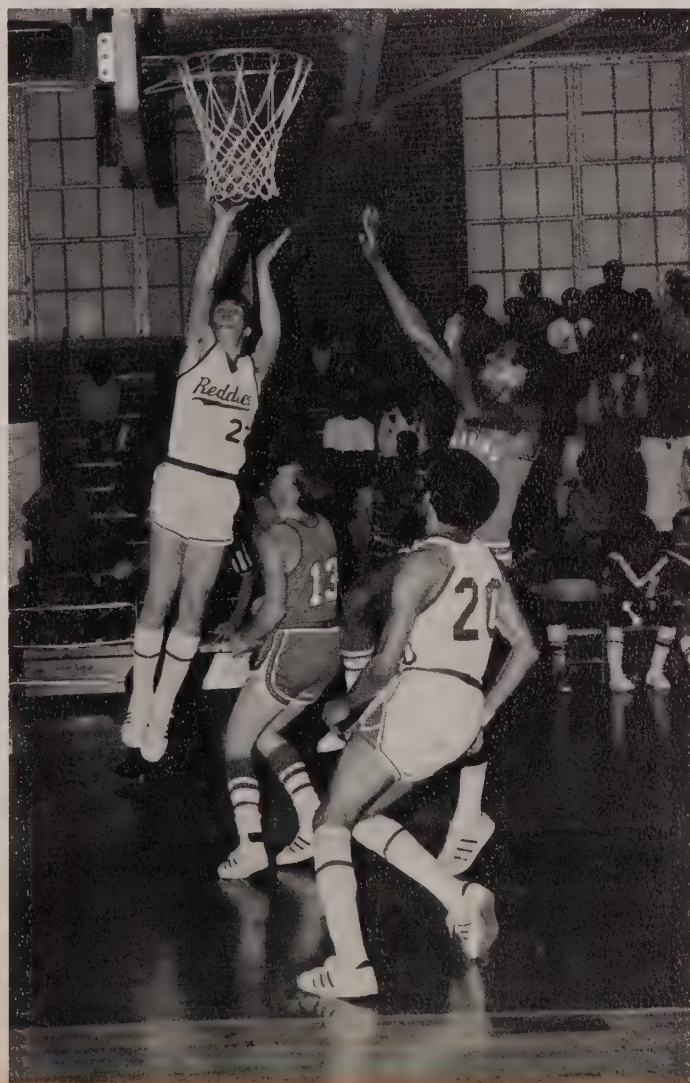

Sam Witherspoon, a 6'6" freshman, dumped in 20 points to lead the Redmen past College of the Ozarks by a score of 90-77 as Henderson tuned-up for the oncoming Kiwanis Invitational Tournament.

Just over the outstretched hand of a defender, freshman Sam Witherspoon scores against Hendrix.

Just because he could not see the basket didn't stop playmaker Don English from scoring.

High over defenders, Mike Peterson tries a jump shot against the Arkansas Tech Wonder Boys.

Elevated to the starting line-up in his junior year, Mike Holloway drives through for a bucket.

Most teams could not match Henderson's strength on the boards. Danny Davis (54), Don English (20), and Sam Witherspoon (34), here battle for a rebound against the Harding Bisons.

Herren Hits 32 In Barton Coliseum

Mike Peterson's last-minute field goal ended a bid by the State College Bears to pull a major upset in the first round of the 6th annual Kiwanis Invitational Tournament held at Pine Bluff. Peterson's field goal, his 24th point of the night, gave the Reddies a 74-72 squeaker.

Southern State held off a furious last-minute rally and edged the Reddies 70-69 in the tournament finals. Trailing 70-60 with 1:24 left on the clock, the Redmen poured in four field goals and a free-throw to slice the margin to one at the buzzer. Danny Davis led the Reddie attack with 26 points.

With Davis and Peterson unable to score consistently, John Herren took command and produced his best scoring performance in a Reddie uniform. Herren hit 15 field goals and 2 free throws for 32 points as Henderson took a 94-82 decision over State College.

Balanced scoring was the key to the Reddies' 81-53 win over Arkansas College. Mike Peterson led the attack with 16 points, followed by Witherspoon with 14, Davis with 13, English with 13, and Herren with 10.

Arkansas Tech rallied from a 46-38 halftime deficit and handed the Reddies their first conference loss in a 91-89 breath-taker. Davis and Herren led the Reddies' effort with 22 and 20 points respectively, while Mike Peterson contributed 19.

Harding was the next to fall before the Reddies' attack, as Danny Davis hit for 24 points, Don English for 22, and John Herren for 19 in leading the Reddies to an 82-70 victory.

The Muleriders' gym was packed one hour before the game began, and several were turned away. Those that did get in saw Don English make this shot.

Southern State's Al Flanigan can only watch as Donnie Matlock scores on a reverse lay-up in the Kiwanis Tourney.

Reddie Fans Pack Day Armory To See Win Over Southern State

Before one of the largest crowds ever to witness a Reddie home game, Henderson rallied behind the solid scoring of Donnie Matlock to capture a decisive 78-61 victory over championship-bound Southern State. Matlock came off the bench to score 24 points.

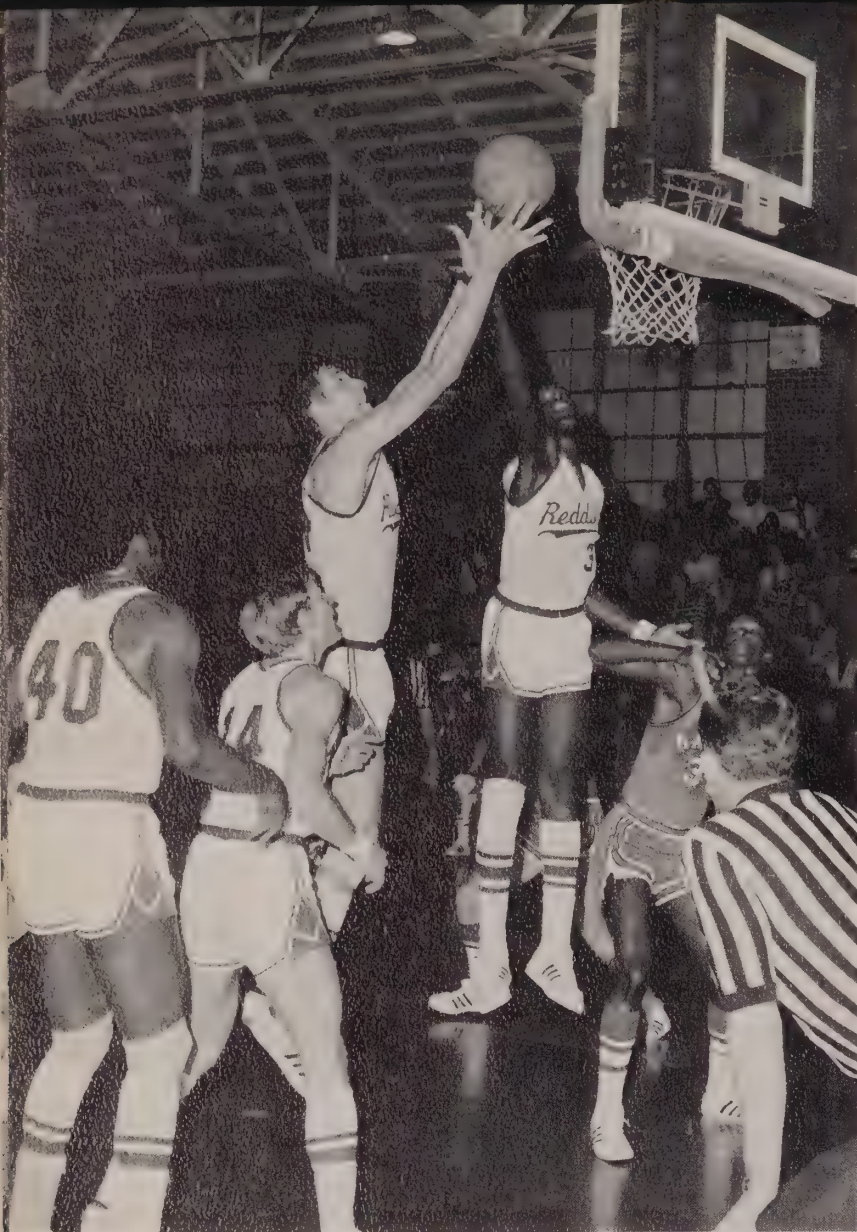

The loss which proved to be one of the costliest of the season for the Reddies occurred when the Boll Weevils of Arkansas A&M upset the streaking Redmen with a startling 78-70 win. A&M's victory nullified a balanced scoring effort by Danny Davis (17), Don English (16), and John Herren (13).

The Reddies slump continued when they lost to Arkansas AM&N 94-84. Mike Peterson led the Reddies' scoring with 18 points followed by Danny Davis with 17. Don English and Floyd Gentry each scored 14 points in the game.

Ouachita Baptist's surge in the final two minutes gave the cross-town rivals a 71-62 victory over the skidding Reddies. The Tigers found a defense for everything except Mike Peterson's rafter-scrappers as the big junior poured in eleven arching field goals and finished with 25 points.

The Reddies snapped their midseason skid by shelacking the Hendrix Warriors 91-77. Davis topped all scorers with 26 points while Peterson dumped in 20.

It was the largest scoring output of the season for the Red Machine and one of the most amazing two-man scoring shows Reddies fans have witnessed. Mike Peterson (31) and Danny Davis (30) combined for 61 points as Henderson outran College of the Ozarks 111-90.

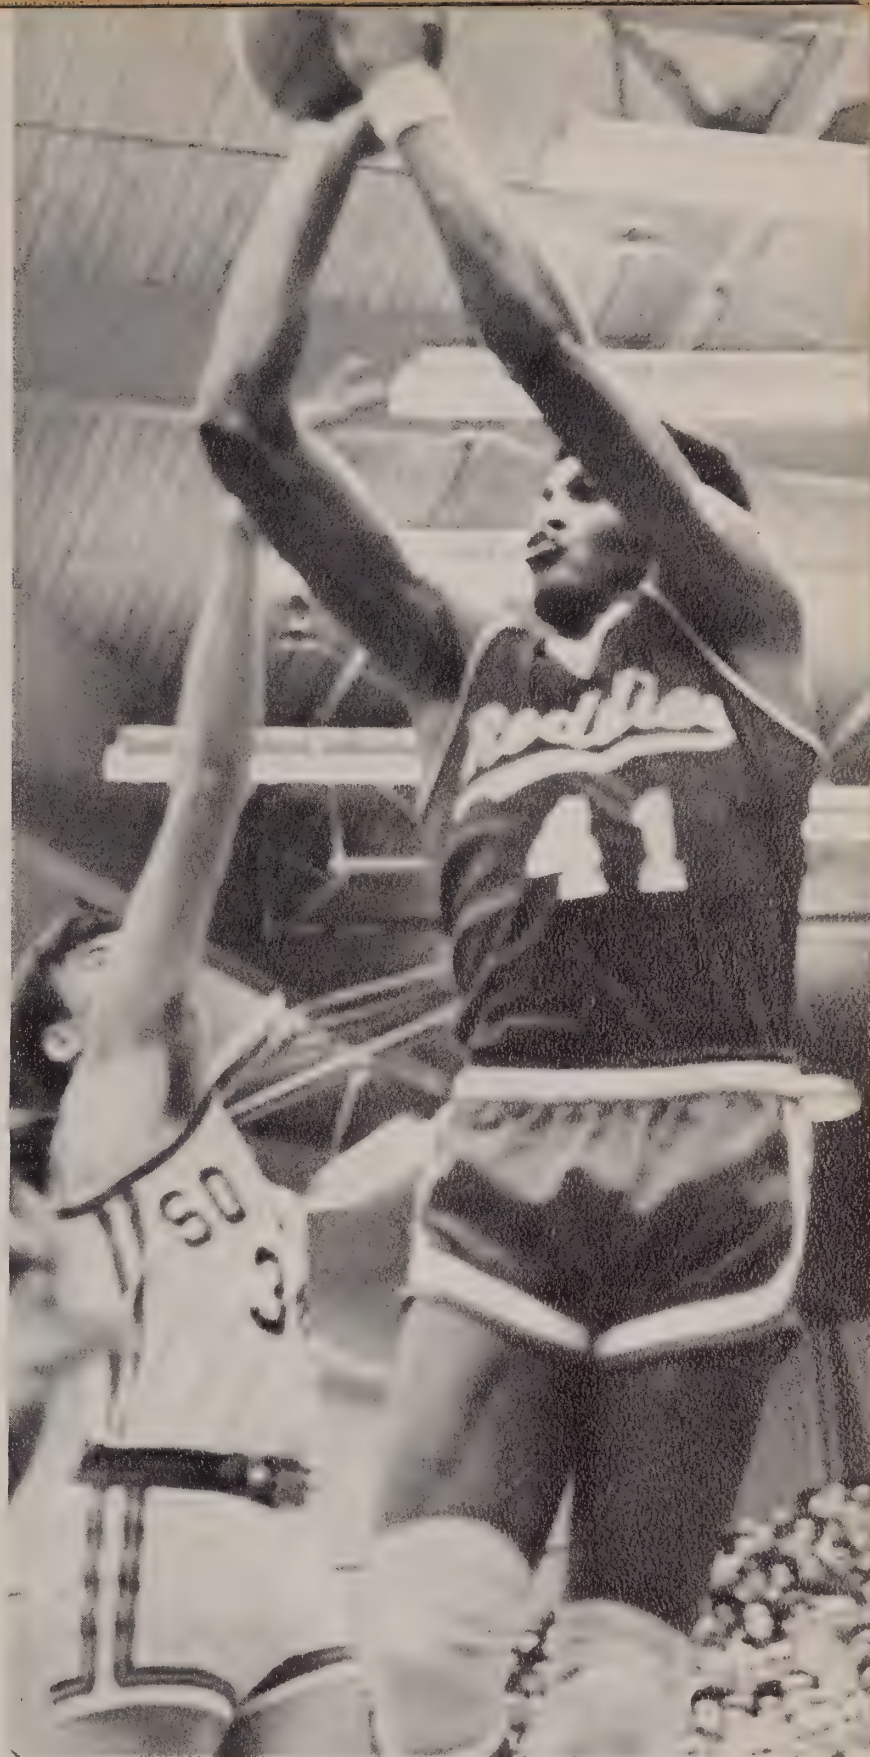

Senior Danny Davis and freshman Sam Witherspoon combine to pull down a rebound in HSC's win over the Harding Bisons.

The fast break was one of the Reddies' major weapons during the season. It usually ended like this with Donnie Matlock laying it in while Don English waits to make sure.

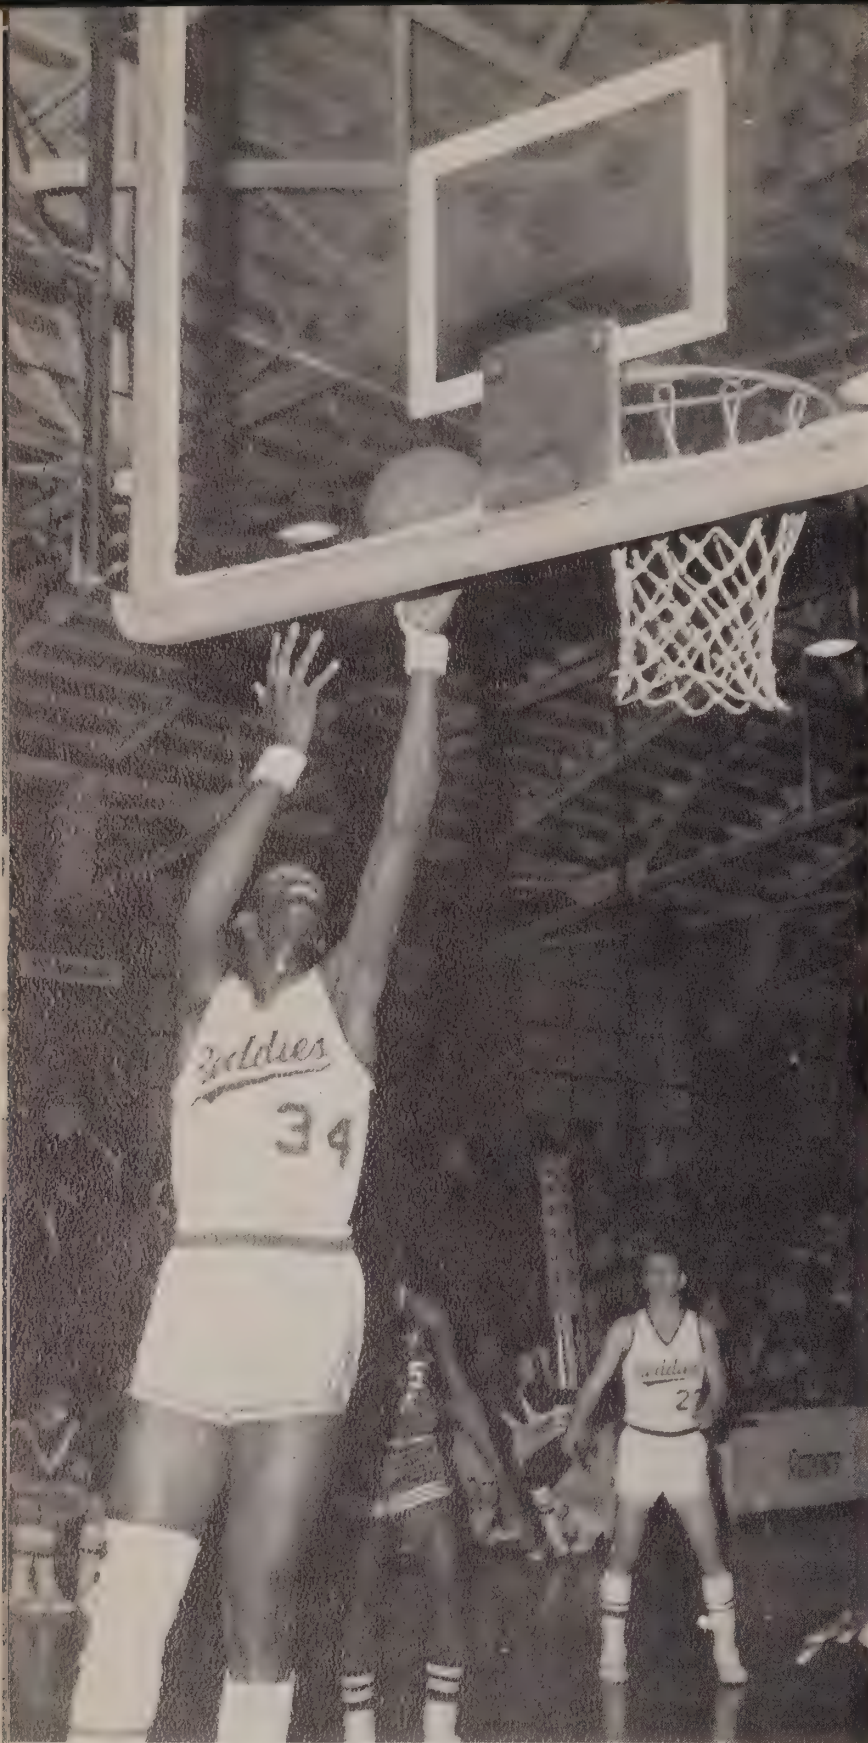

Danny Davis goes above the rim to tip one in against Arkansas AM&N.

Mike Peterson soars up into the lights to get off a shot against Southern State.

Don English drives inside to score an easy lay-up against Hendrix.

Sam Witherspoon, a freshman with great jumping ability, scores two of his 17 points against Arkansas A&M.

Mike Peterson shows that perfect form is not really necessary to score.

Deadly from the top of the key, Donnie Matlock scores two of his 24 points against Southern State.

Davis Nets 26 In Final Game

An all-out effort to tip in a missed shot left OBU's Frank Mitchell alone at the end of the court, and the Tiger senior capitalized with a last second shot to hand the Reddies a 71-70 heartbreaker. Davis led Reddie scorers with 24 points.

Mike Peterson and Don English took scoring honors with 28 and 20 points as the Reddies regrouped and took an 86-80 win over State College.

Thirteen Reddies broke into the scoring column in the Reddies 97-58 win over Arkansas College. Danny Davis poured in 20 points, 18 in the first half, to lead the Reddies.

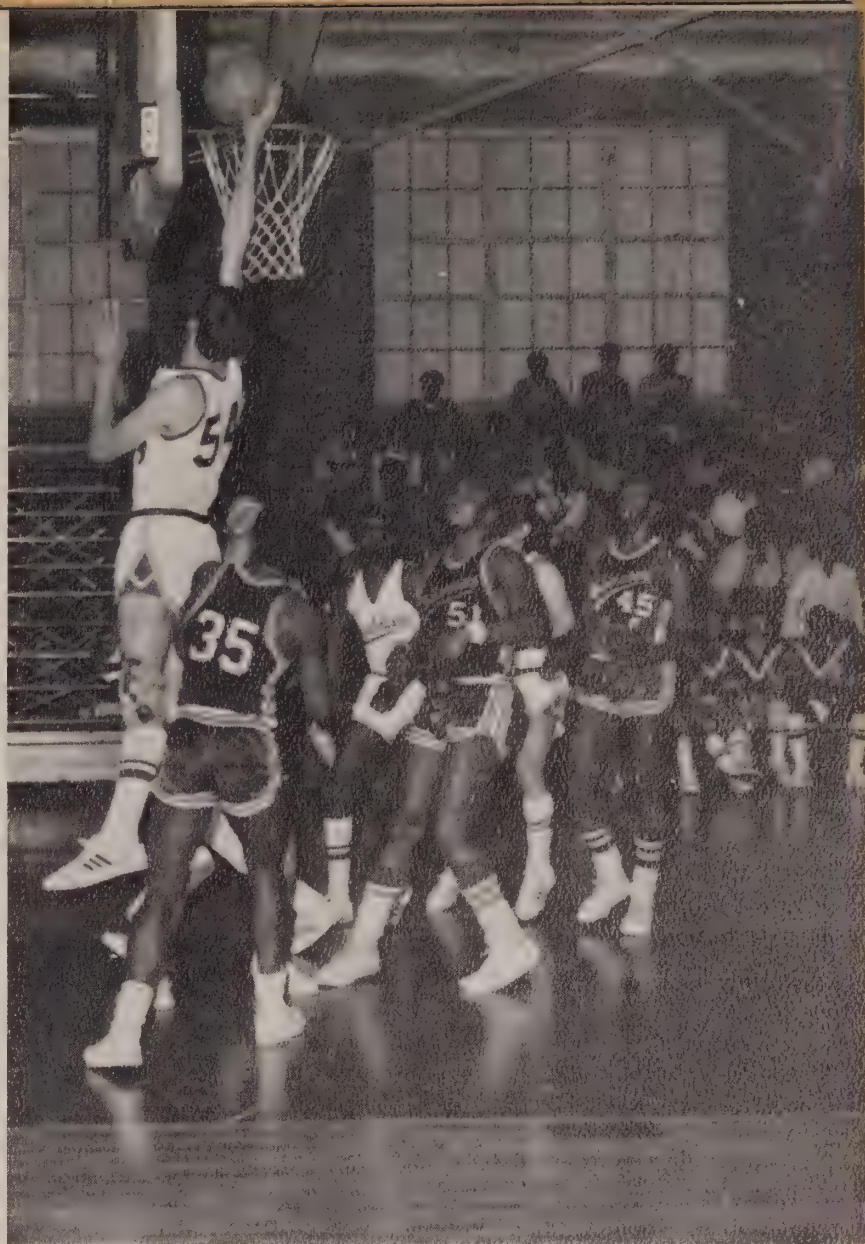

The Arkansas Tech game was a must for Henderson and two Reddie reserves proved to be the difference. Sam Witherspoon converted a missed free throw into two badly-needed points in the final minutes and sophomore Rodney Herndon put in ten of his fourteen points late in the game as HSC took a 99-90 victory.

Three Reddies scored 20 points or more as HSC grabbed an 89-77 win over Harding. Don English's 26 points topped a productive Reddie evening.

Over 100 Reddie fans arrived too late to see the Southern State Muleriders make a final last-minute surge and hand the Reddies their third one-point loss of the season. Perhaps the largest crowd ever to see an AIC game, in excess of 3500, saw Henderson falter in the final minute and drop a 59-58 decision.

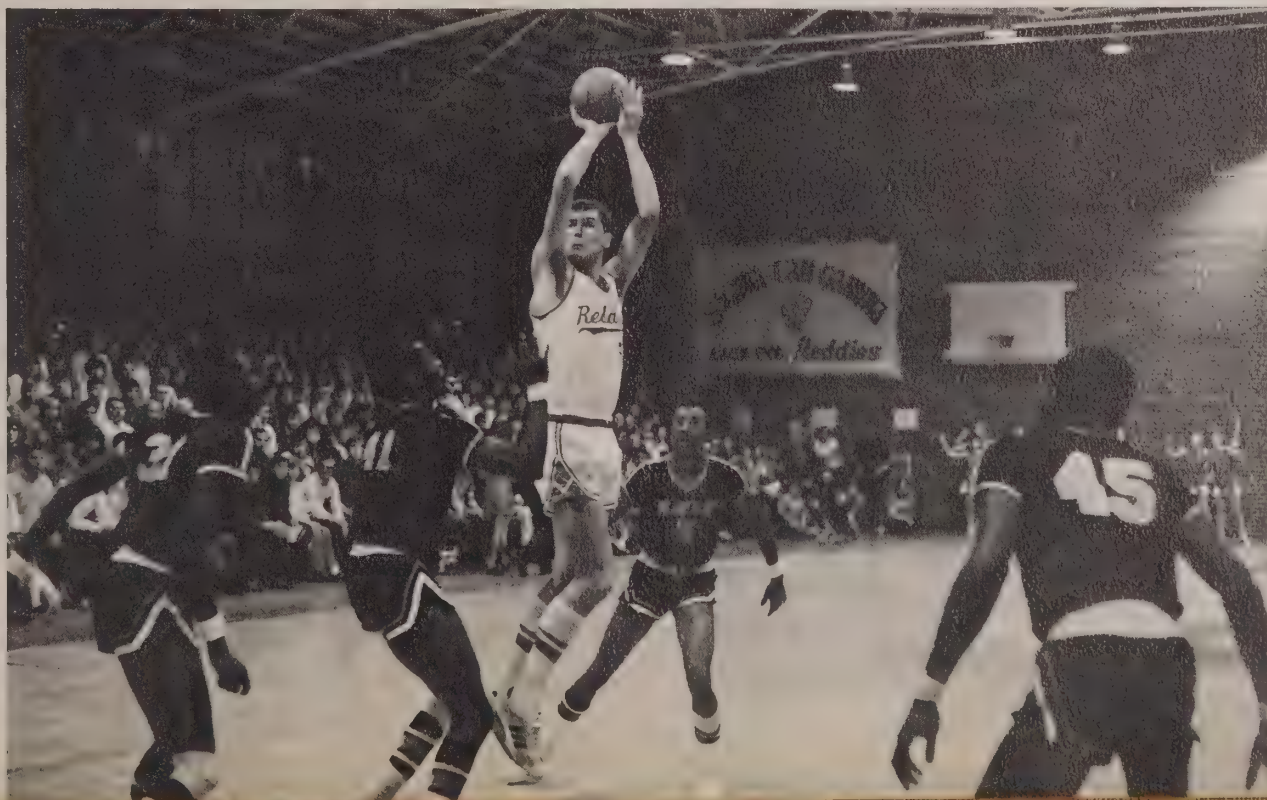

The standing ovation began before the game ended and lasted until he was carried off the court as Danny Davis played his last home game in a Reddie uniform. The big senior contributed 23 points in a 97-82 victory over Arkansas A&M while Mike Peterson topped scorers with 26, and Sam Witherspoon gave a glimpse of the future with 17 points.

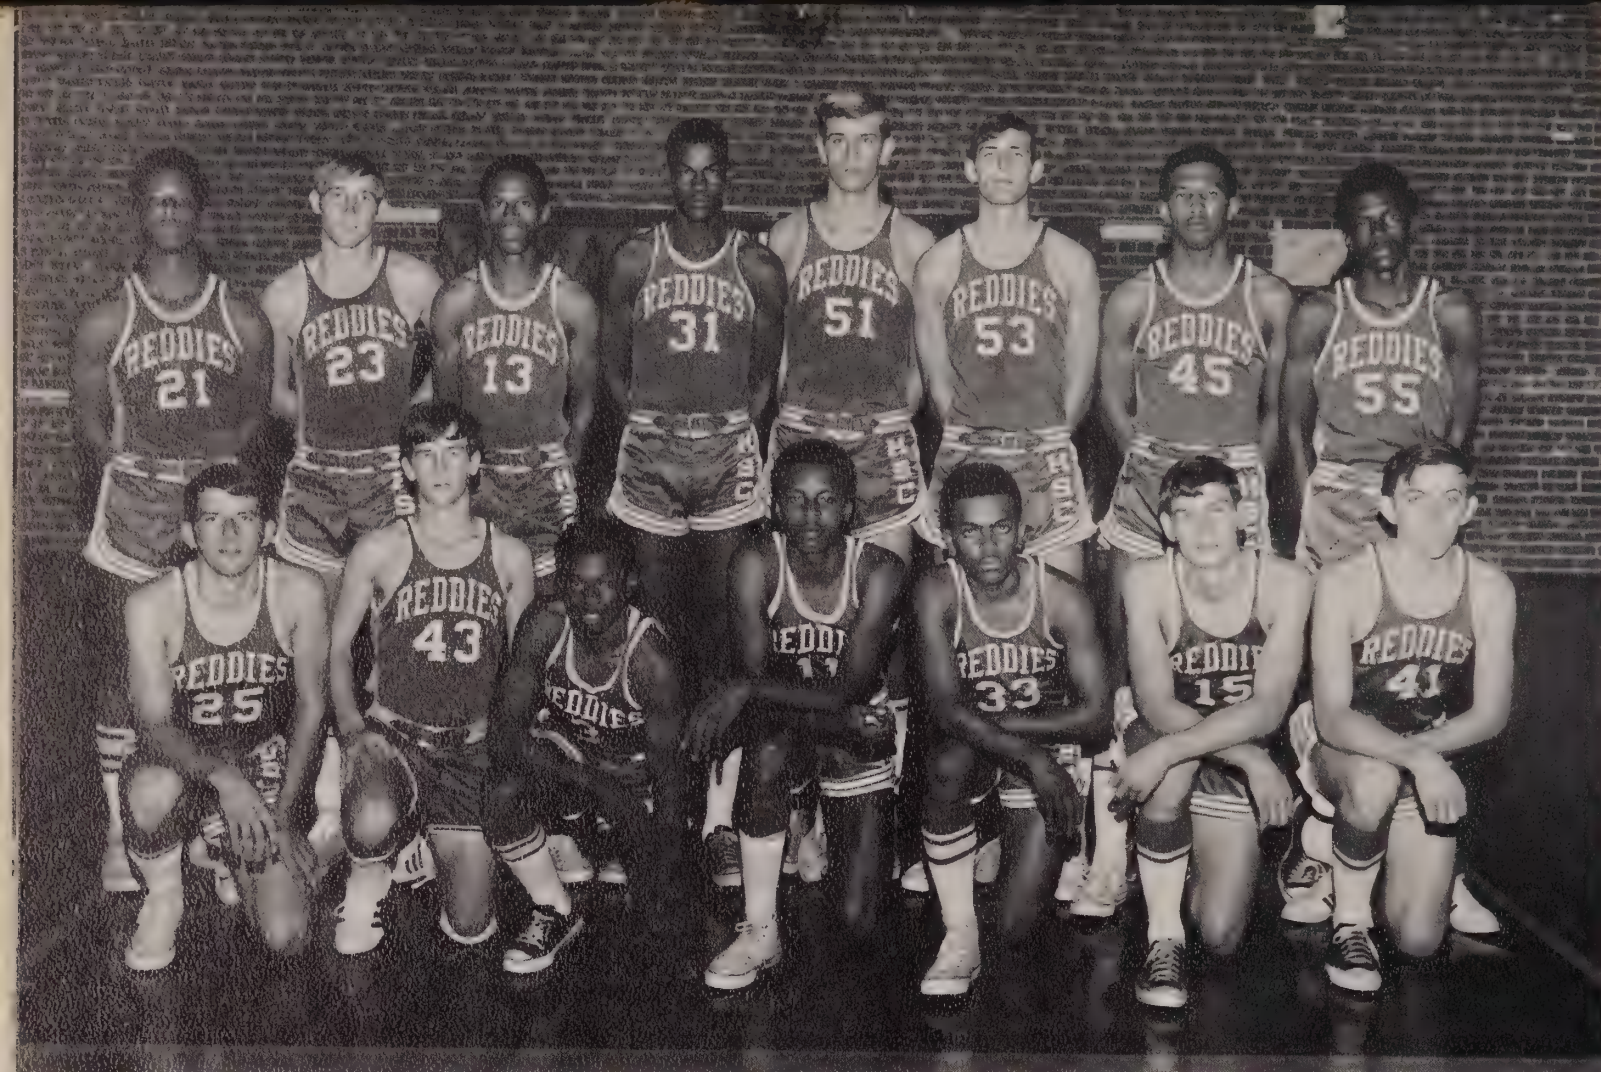

The season came to a sharp and sudden end at the NAIA District Tournament, and again Southern State was the nemesis. The Muleriders ended the Reddies' Kansas City hopes by edging HSC 68-65. Danny Davis topped all scorers with 26 points.

All-American Danny Davis lays in two of his 23 points in his final game in Day Armory.

One of the best pure shooters in the nation, Davis shows the form which made him the AIC's leading percentage shooter.

Track Team

Running five of their thirteen meets on their new Tartan track, the Reddies opened the 1971 season with a new head coach. Under the direction of Don Wilkinson, the thin clad began the season with twenty-five participants. Included in these are eight returning lettermen, including John Butler, the AIC champion long jumper in the 1970 AIC meet. Also returning was James Baugus, a distance man who ranked among the best in the state.

Anchoring the sprinters was Charles Cobb, a junior previously clocked at 9.6 in the 100-yard dash, and James White, a sophomore from Pine Bluff.

Distance runner Karl Koonce leads the pack around the first turn in the mile run. James Rowe is visible to the right of Koonce.

Track Team: Top Row: Coach Don Wilkinson, James Rowe, Karl Koonce, Maurice Grant, John Butler, Calvin McNeel, Philip Rowley. **Middle Row:** Charlie Lout, Ronnie Campbell, Mike Brewer, Gus Hubbard, James Studdard, Larry Newman, James Baugus, Joe Pitts. **Front Row:** David Burgess, Lutian Murphy, Bill Leslie, Ronnie Beeles, Jerry Harrison, Charles Cobbs, Mac Peebles.

Freshman **Allen Baker** sails up and over the bar in HSC's first home meet of 1971.

John Butler set the Henderson school record in the long jump, leaping 23 feet, 3 1/2 inches in an early season meet against Arkansas A&M and Arkansas Tech.

Cross-Country Team

Cross-country team: Lutian Murphy, Larry Newman, James Baugus, James Rowe, Karl Koonce.

Led by senior James Baugus, the Reddie cross-country team became the first HSC team ever to qualify for the national cross-country meet held at William Jewel College in Liberty, Missouri. Under the coaching of David Burgess, the team competed in eight meets, each involving a grueling 5-mile run, in a season which ran from late September to late November. The Reddie team earned the right to compete in the nationals by finishing third in AIC competition.

Running for the Reddie team were James Baugus, Lutian Murphy, a junior, and sophomores Larry Newman, James Rowe, and Karl Koonce.

Outside the AIC competition, several cross-country members also achieved prominence. Baugus raced to a 16:18 clocking over the 5000 meter Burn's Park course in Little Rock to win the Arkansas AAU state title. Baugus's win came after a second place finish in the AAU 10-kilometer run two weeks earlier. Koonce finished fifth in the 5000 meter run with Rowe placing 7th.

Tabbed as the favorite by the Tulsa Daily World, Baugus finished third in a field of over fifty in the First Annual Oil Capitol Marathon. The Reddie runner covered the 26-mile, 385-yard course in 2:41:11. Back in Arkansas, Baugus again finished third in the 4th annual AAU Marathon, held at Petit Jean Mountain, clocking a 2:46:21.

Often running 10 miles before classes three days a week, James Baugus developed into one of the top distance men in both Arkansas and the Southwest.

Reddie Baseballers Open 1971 Season

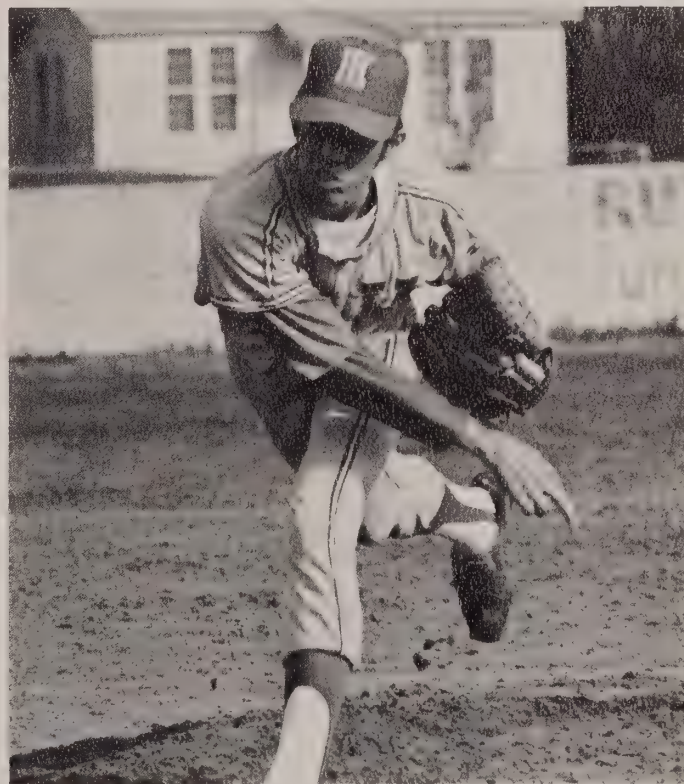

Deprived of the 1970 AIC championship by a committee ruling, the 1971 Reddie baseball team was determined to prove that it was again the best on the diamond.

Returning 15 lettermen, including All-AIC center-fielder Johnny Manning, the Reddies opened the 1970 conference season with a doubleheader win over College of the Ozarks.

Also included in the returning Reddie roster are 4-year man Herb Delone, shortstop Mike Holloway, 2nd baseman Rick Graham, Tommy Wilson, a District 17 NAIA All-District honorable mention, outfielders Bill Riley and Gary Steward, pitcher Jim May, third baseman Rick Sallee, 1st baseman David Ball, and 2nd baseman Dwight Turner.

Rounding out the returning pitching battery were Preston Helms, Mike Hickey, Terry Jones, and Walt Schmid. Handling the catching duties was Donnie Matlock, a Jr. college transfer.

Second baseman Rick Graham throws all of his 5' 6" frame into a swing. Against Baptist Christian College, Graham slammed the Reddie's first 1971 homerun.

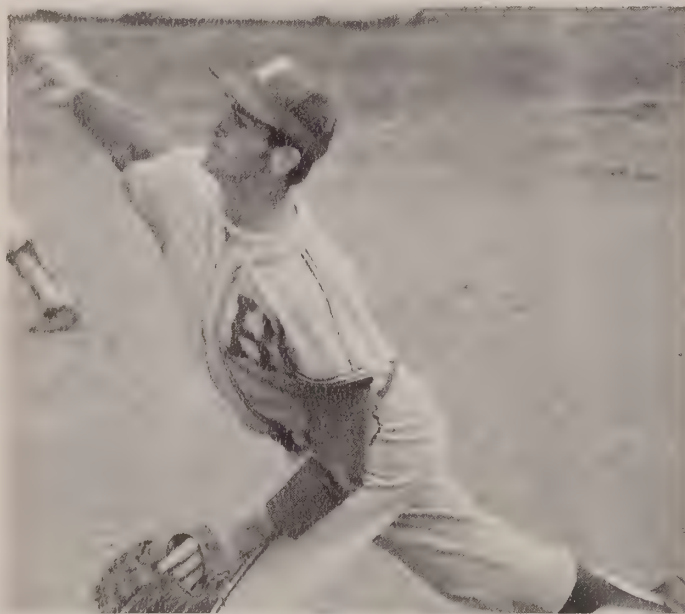

Jim May, a hard-throwing righthander, displays his follow-through against Central Missouri State.

Smooth-swinging Mike Holloway followed Graham's homer in the Baptist Christian College game with one of his own.

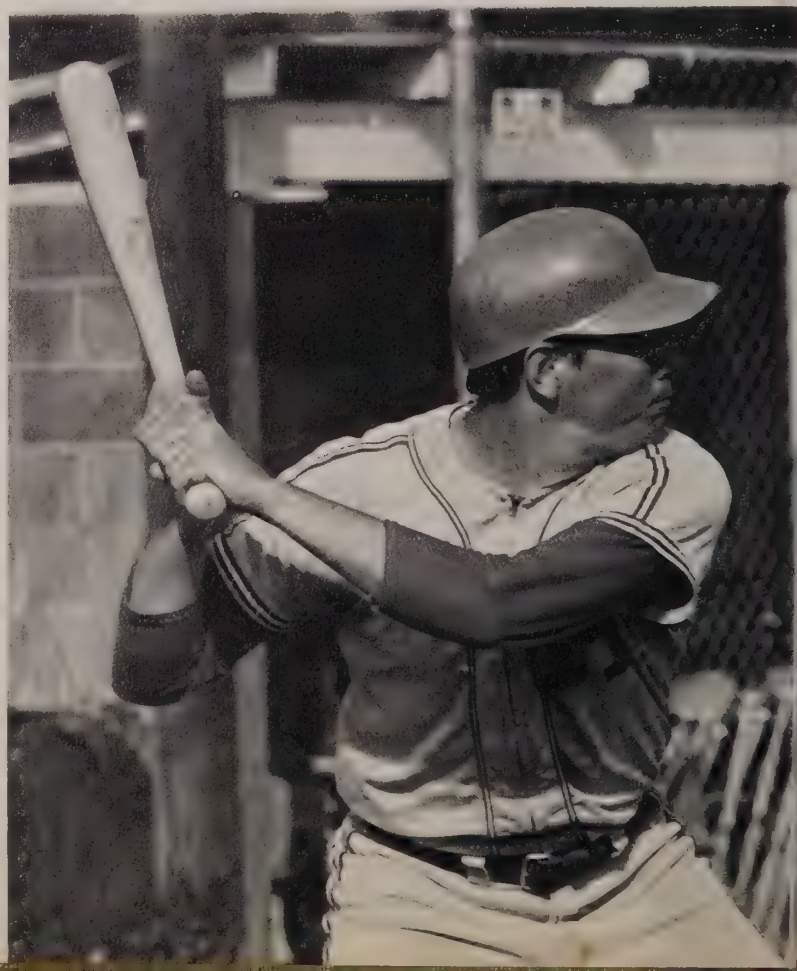

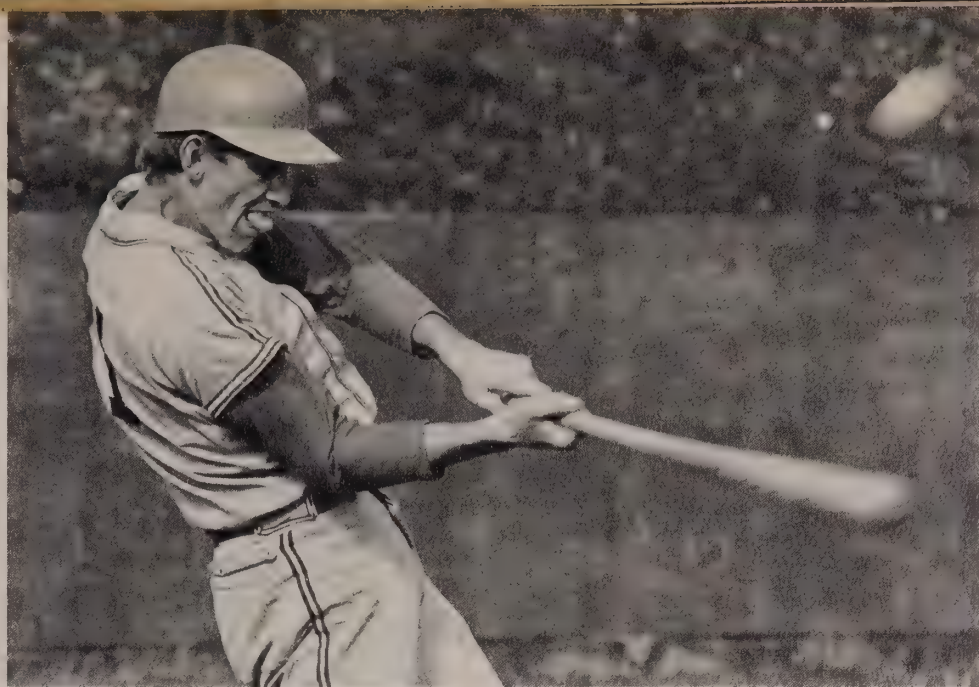

Reddie Baseball team players are first row, left to right Terry Jones, Johnny Manning, Rick Graham, Gary Stewart, Tommy Wilson, Mike Hickey, Jim May, Dalton Daves, Glen Taplin; second row, Bill Riley, Jerry Williams, Bill Johnston, Donnie Matlock, Mike Hale, Harry Moran, Ronnie Wagster, Steve Wood; third row, Glen Guenther, Jasper Honeycutt, Mark Roberts, Mike Holloway, David Baugh, Walt Schmid, Herbert DeLone, James Borchert, Preston Helms, Charles Hesser, and Coach Ralph Carpenter. Terry Brown and Richard Sallee were absent.

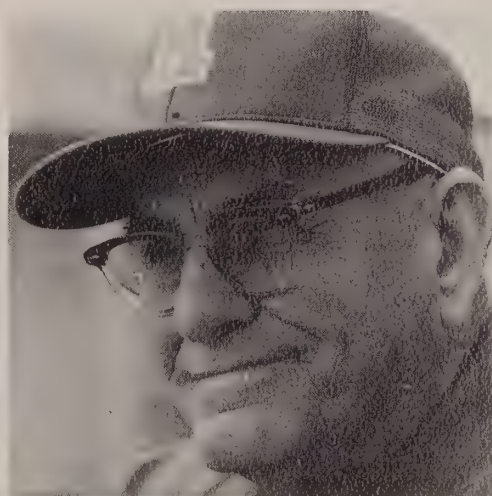

A second-year man from Concord, Preston Helms delivers against Central Missouri State College.

Mike Hale, a fireballing lefthander, was one of the newcoming freshmen on the Reddie pitching staff.

Women's Swim Team State Champions

In one of their best years in Reddie history, the women's swim team emerged as the Arkansas State Champions. The ladies took the crown by edging out a three-point victory over a strong Southern State team in the state meet at the University of Arkansas at Little Rock pool.

The victory revenged the team's season-opening loss to SSC. Led by Lissa Keigwin, a senior record-holder in the 50-yard butterfly, the Reddies took their next two meets in preparation for the state championship. Also achieving state recognition were Jackie Dunlop, who set the state record in the 50-yard breaststroke, and Heather Piazza, a record holder in both the 25-yard freestyle and the 25-yard backstroke.

Men's Swim Team

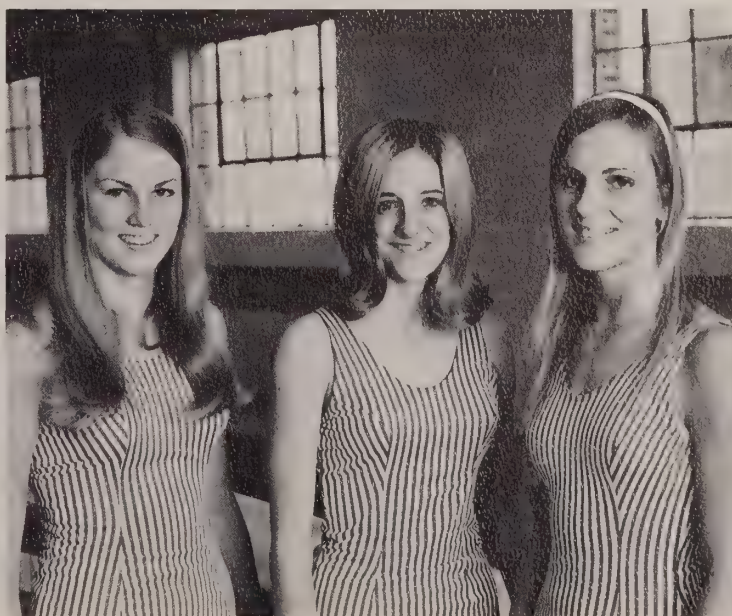

Men's swim team: (left to right) Gordon Smith, Larry Hardin, Robert Carpenter, Murphy Taylor.

The Reddie swimmers finished sixth in the Arkansas Intercollegiate Swimming and Diving Championships during the 1971 season. Anchored by Gordon Smith, who set a personal best in the 100-yard freestyle during the Championships, the Reddie team anticipates a much improved team when they move into their new facilities in 1972.

Losing only senior Larry Hardin, the Reddies, under the direction of Charlie Lout, will return three lettermen, Robert Carpenter, Murphy Taylor, and Gordon Smith.

Three of the state's top swimmers were part of the Reddie team. Heather Piazza (left), a senior, holds two records, one in the 25-yard freestyle and the other in the 25-yard backstroke. Jackie Dunlop broke the state record in the 50-yard breaststroke while only a sophomore, and Lissa Keigwin (right), also a senior, was the state's best in the 50-yard butterfly.

1971 Reddie Ripples

Ripples Around the World

Lou Ann Van Zandt, Cecilia Kirkland, Susie Aldridge, Linda Sims, Sandy Hickey, Lessa Haney, Marcia Mitchell, and Jean Irwin performed a dance and swimming routine to "Raindrops".

Sue Treece, Jackie Dunlop, and Jan Retherford did a swimming interpretation of "Three Coins in a Fountain".

Patti Lou Peters and Gordon Smith performed a swimming duet to "I Love Paris".

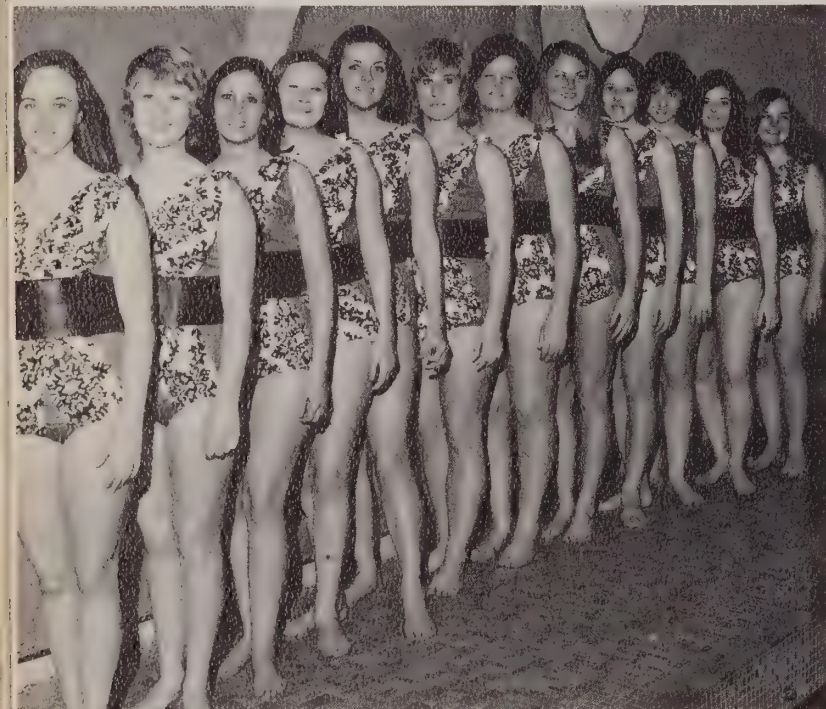

Lissa Keigwin gave a solo interpretation to "One Thousand and One Arabian Nights".

Reddie Ripples

Denise Brunetti, Lynn Tull, Billie Ann Boulding, Nancy Kjeldgaard, and Patti Lou Peters, dressed as Neanderthal Men performed a dance and swim routine from the East Indies.

Sisters of Alpha Sigma Alpha Sorority won the women's division in this year's tournament.

In honor of Sig Ep Jay Hamilton who drowned in a boating accident this year, the Brothers of Sigma Phi Epsilon named their annual Sigma Phi Epsilon All-Greek Basketball Tournament after him. Jay had worked hard for the Sig Eps in all intramural events so it is only proper that the tournament now be called the Annual Jay Hamilton Memorial Basketball Tournament to be held each year in the early spring.

The members of Omega Psi Phi, a new fraternity on campus, won the men's division of the Jay Hamilton Memorial Basketball Tournament.

Tennis Team: Joe Manning, Jim Hillman, James Grisham, Ken Greening.

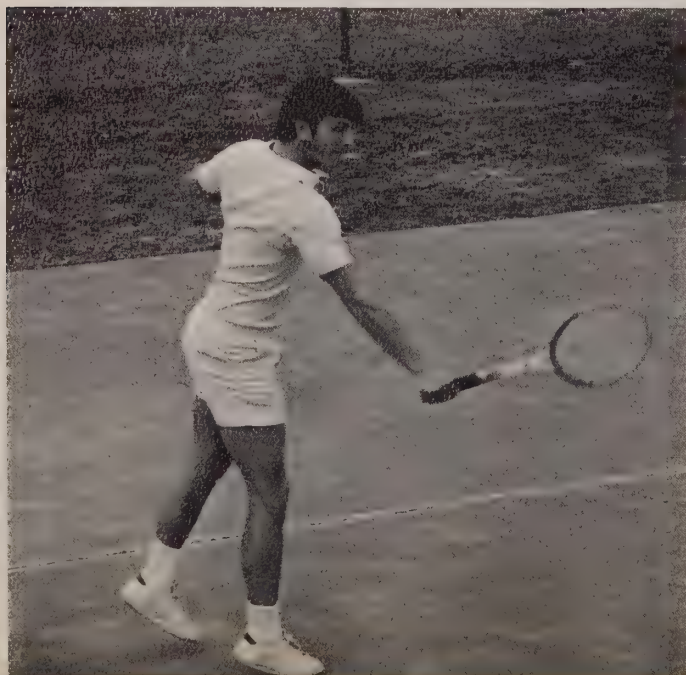

Men's Tennis Team

Henderson's varsity tennis team opened the 1971 season with a win over the University of Arkansas at Little Rock, downing the Trojans by a score of 4-2. Behind the strong games of Jim Grisham and unbeaten Joe Manning, the Reddies took early season victories over Southern State and Harding by identical 5-1 scores.

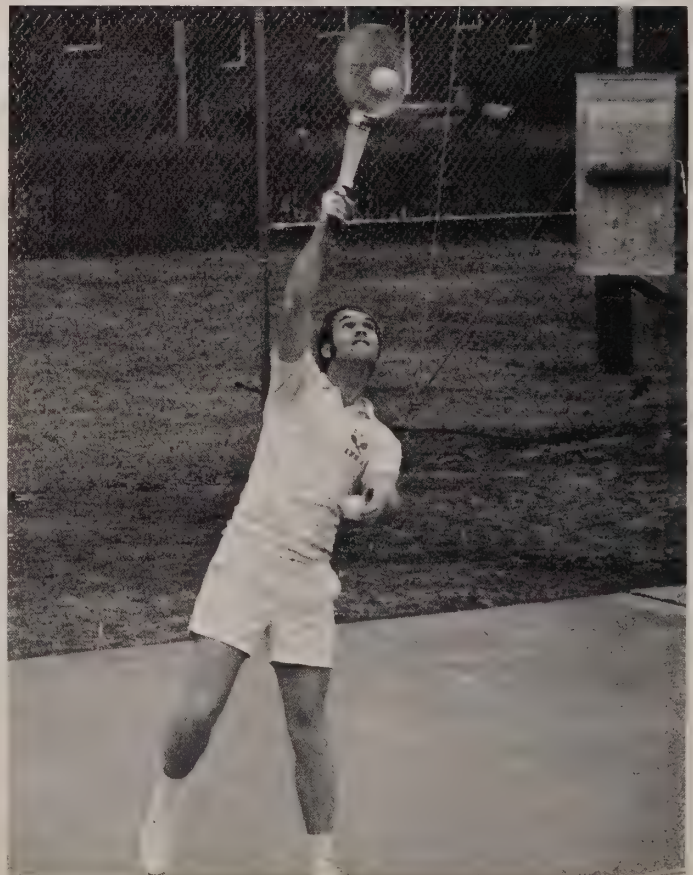

The doubles pair-ups usually consisted of Grisham and Jimmy Hillman along with Manning and Kenny Bean.

The team is under the direction of Coach Jim Mack Sawyer.

Girls' Basketball

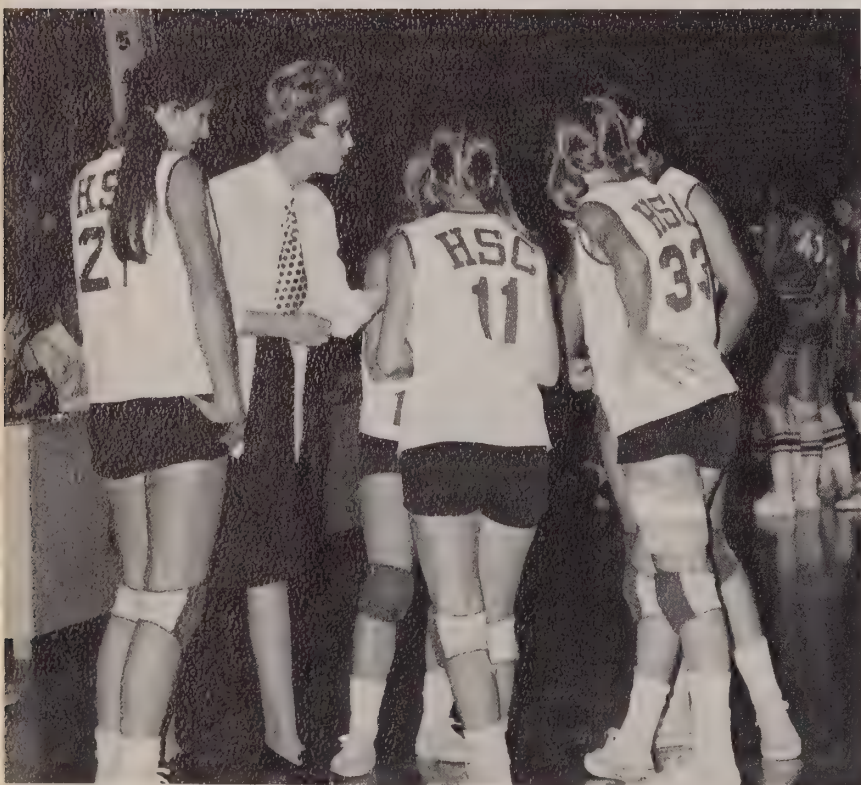

The Reddie women's basketball team achieved prominence in the state for the first time in several years by finishing 2nd in the annual Arkansas Women's Extramural Sports Association state tournament. Under the leadership of Miss Jane Sevier, the Reddie women played an eight game schedule suffering only two defeats.

Spurred by a 23-point performance from Glenda Allen, the girls opened their season with a 67-58 thriller in double-overtime to Northeast Louisiana University. The action marked the beginning of the Southern State College Invitational Tournament. The host's Blue team handed the Reddie women their first loss by a score of 40-30. Glenda Allen led the Reddie attack with 13 points. Forced into the consolation division by the loss, the women took their next game over Arkansas Tech, winning by a margin of 14 points.

Miss Allen handed over the scoring honors to teammates Nancy Adkins and Jan Allen in their next game against Southern State's Gold unit. The freshman-sophomore pair each poured in 21 points in leading the Reddies to a 57-49 victory. Glenda Allen was named the tourney's most valuable player in leading the Reddies to their third-place finish. Her sister Jan, along with Miss Adkins, was also named to the All-Tourney team. The two other Reddie starters, Susan Cartwright and Julia Jackson, received honorable mention honors.

Ala Danny Davis, Nancy Adkins tosses in two points underneath the basket.

Following their third-place finish in the SSC Tournament, the Reddie women met the team which had handed them their first loss. Behind the 12-point scoring performance of Glenda Allen, the Reddies turned the tables on Southern State's Blue team by taking a 52-49 squeaker. The contest was the Reddie women's first home game of the season.

Glenda Allen was again the scoring show against Arkansas Tech, but three members of the team also contributed double-figure scoring backing Miss Allen's 14 points. Julia Jackson, Nancy Adkins, and Becky Black each dumped in 10 points in leading the Reddies to a 68-33 runaway over Arkansas Tech.

Southern State outlasted the Reddie women in the finals of the Arkansas Women's Extramural Sports Association state tournament. The final score was 63-47.

The girls receive some valuable advice from Coach Sevier during a tense moment in the game.

Intramural Football

Probably the most exciting and best attended Intramural sport is football. This year was no exception. The Soul Panthers and The Baseballers won in their respective leagues and battled it out for the Intramural Championship. The Baseballers took the crown with a 26-0 victory. They then went on to whip the Ouachita All-Stars 8-6 for the undisputed "Ravine Title".

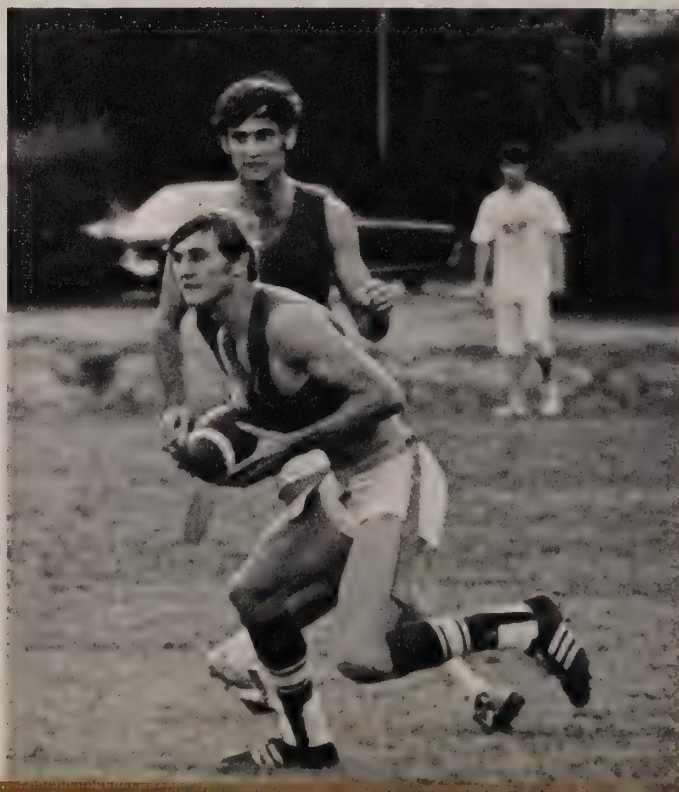

You have to be in shape to play Intramurals too.

Intramural action gets fast and furious sometimes.

Intramural basketball is just one phase of the All-Sport Program Henderson has.

Rifle Team

Rifle Team: Top row: Bruce Smith, Coy Tutt, Steven Billingsley

Bottom row: Randy Stewart, James Steed, Mobie Price

Few Arkansas sports have been so thoroughly dominated by one team as the college rifle competition. Under the direction of Master Sergeant Thane Alley, the HSC rifle team shot their seventh straight Arkansas Collegiate Rifle League Championship by almost a two-to-one margin, the Reddies defeated their nearest challenger, Arkansas State.

During the season, HSC set a new match scoring record scoring 1306 points against ASU eclipsing the old mark of 1288 points set only a week earlier by the Reddies.

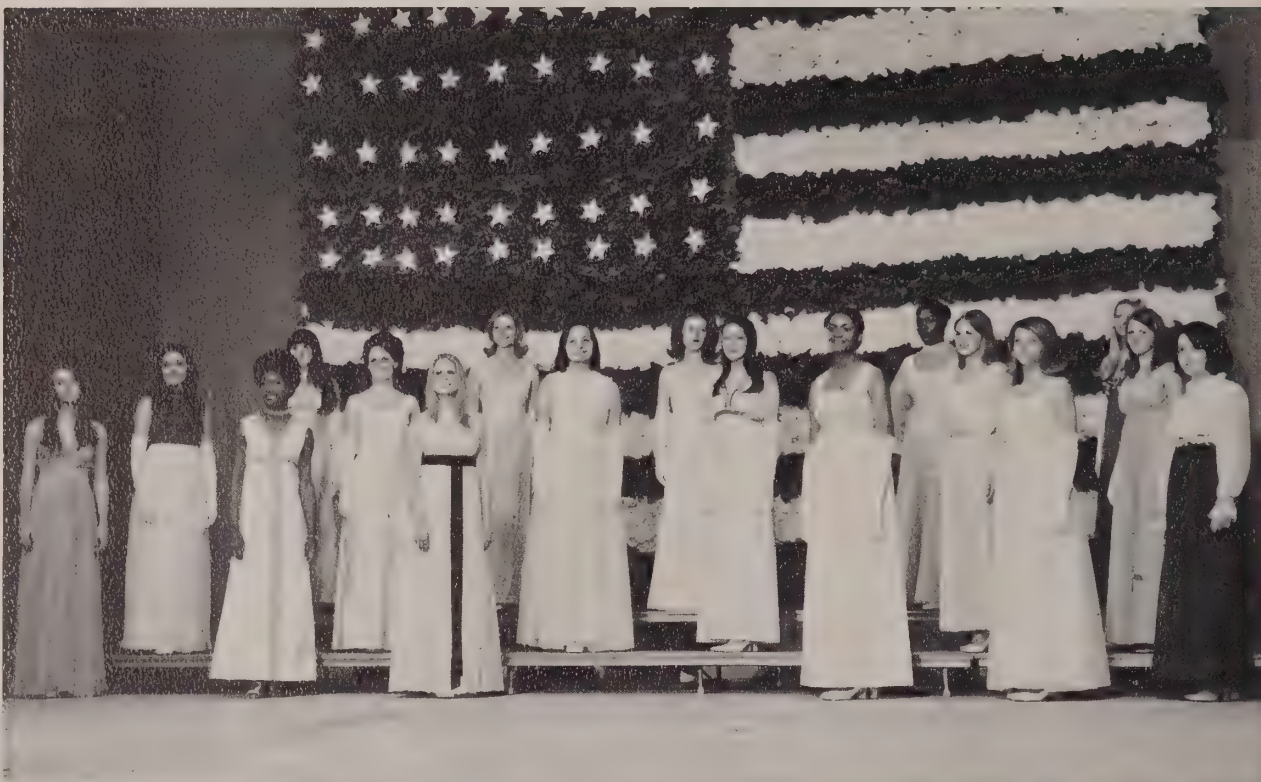

The ACRL Freshman trophy became the Reddies' permanent possession when the Freshman team won its third straight championship. Randy Stewart, a sharp-shooting sophomore from Amity, led the league in total points.

Steve Ellis plays the telephone man in "Barefoot in the Park."

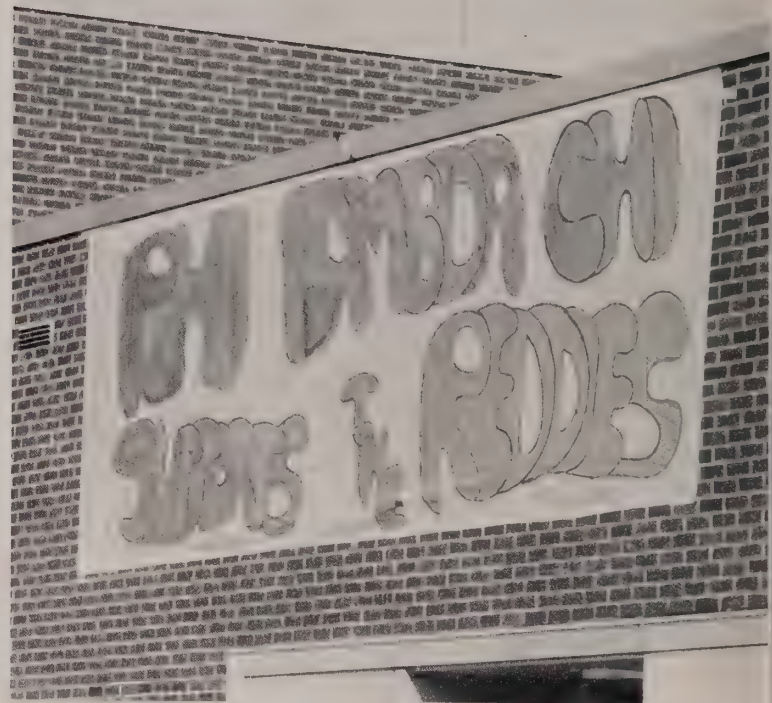

"I'm young—give me a chance to LIVE!" John Harris said as he plays George in "Suddenly Last Summer," as he pleads with his mother (Judy Williams) and Catherine (Nancy Ryburn) to let him leave to seek his own way.

Jimmie Carter played the lead role in the "Militant Minister."

Homecoming

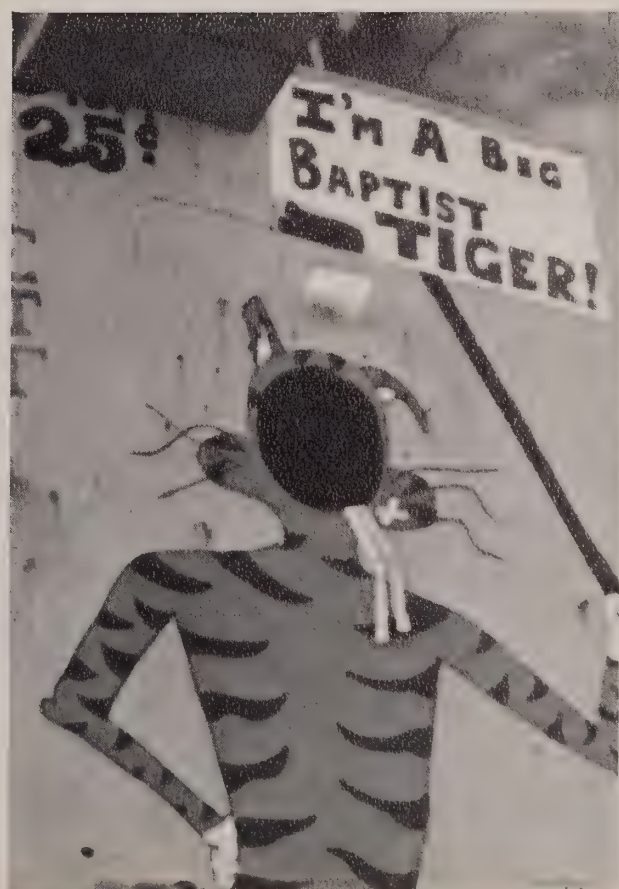

Homecoming week was a very rewarding experience for the entire school. All organizations worked together from the Greeks to the ROTC program. The Student Union was plastered with posters. The Arkadelphia Fire Department was called to assist in putting signs on the high rise dormitories. Judges were chosen among the faculty to choose the organization that promoted the most spirit during Homecoming Week. Phi Sigma Epsilon won the honors. The emotions of the senior football players during the Blanket Ceremony showed the appreciation of the football team towards the students for their support.

Dedication

The most difficult task presented to this year's yearbook staff was choosing that to which this particular volume would be dedicated. It is the duty of the staff, usually, to pick one individual who best typifies the facets of the book as well as embodying dedication to and love of the institution. This year our staff found this an even more difficult job than usual. So, in a sense we confronted the problem, and yet we feel we have also faced it squarely and solved it.

We have chosen to dedicate the 1971 Star not to a man nor an institution but a concept, a concept which typifies, we hope, the aims and end product of the entire process of educa-

tion. That concept is Understanding. We feel that understanding best typifies society and each individual's existence in it. We believe that the primary motivating force and resulting product of the interaction and reaction of society should be Understanding.

The opposite page is our rather poor attempt at illustrating the abstract concept to which we have dedicated the book. To us it shows knowledge and understanding which illuminates the darkness of hate, fear, ignorance, and misunderstanding.

We hope that we have, through creation of this yearbook, fulfilled some small way the desire to create understanding among all men.

In Memoriam

A Prayer

*My Lord, I pray that through today
I may walk patiently,
Forgetting not that Thy dear hand
Is leading me.*

*I know not what thy wisdom, Lord,
May choose for me today;
What the long hours may hold for me
I cannot say.*

*I only know that I may go
Unquestioningly with thee,
Remembering that what Thou wilt
Is best for me.*

*For Thou, O Lord, canst see the end,
While I but see the way—
Help me to walk it patiently
Throughout today.*

The yearbook you have just finished represents six or seven months' hard work by a dedicated student staff. It contains breath-taking photography, outstanding copy, exciting design patterns. But there is one basic quality conspicuous in its absence, and necessarily so: a central theme.

Some yearbooks are organized around a basic stylistic concept; others, around a recurring gimmick; most around a featured idea. All of these approaches seem artificial to me. A yearbook can have no more logic than

a chronological justification for its organization; it presents the faces of those important during a particular time span. It is merely a grouping of disparate elements, lacking unity.

Perhaps the beginning of this book mirrors the entire book even better than anticipated. It is, in every sense, a gloss-superficial flash of brilliance. But the brilliance is there, in all its diversity. I hope you have enjoyed seeing it as much as we enjoyed compiling it. And I hope you accept it no more seriously.
